Notes

Unless otherwise noted, all data are for 2022-23 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality. Complete data suppression guidelines are available at <https://tinyurl.com/SuppressionPolicy>

N/A is displayed when a category is not applicable for a district or school.

Performance and Accountability

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

¹ NAEP is often called the "Nation's Report Card." It is sponsored by the U.S. Department of Education. This table compares Connecticut's performance to that of national public school students. Performance standards for state assessments and NAEP are set independently. Therefore, one should not expect performance results to be the same across Smarter Balanced and NAEP. Instead, NAEP results are meant to complement other state assessment data. To view performance on NAEP by student group, at

²The Connecticut Physical Fitness Assessment (CPFA) is administered to students in Grades 4, 6, 8 and High School (HS). The health-related fitness scores gathered through the CPFA should be used to educate and motivate children and their families to increase physical activity and develop lifetime fitness habits.

³Only students assessed in all four areas are included in this calculation.

Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

Narratives

School District Improvement Plans and Parental Outreach Activities

Region One introduced a regional strategic plan designed to weave the efforts of the seven regional schools with a long view, allowing each district to identify areas to focus their year's professional work on while keeping all seven districts moving to the same end goals.

Sharon Center School faculty worked to identify high quality instructional practices that can be applied moving forward. This work included developing student reflection skills and portfolios that were successfully shared with families in the spring of 2022 at student led conferences. Additional areas of focus across the year were the science of reading, instruction for English learners, Social-emotional learning, Habits of Mind, Zones of Regulation and mathematical fluency.

We value the critical role that families play in the educational process and view parents as partners in our children's education. From that viewpoint we strive to keep two-way communication active and ongoing throughout the year. We maintain both a school and a regional website. These sites have calendars, events and individual pages for staff members, providing links for routine parent-teacher communication via e-mail. We host an annual open house at the beginning of the year providing parents with the big-picture for the upcoming year. We encourage parent participation in both our Board of Education (BOE) and Parent Teacher Organization Meetings (PTO). The PTO sponsors an annual Back-to-School picnic that is attended by students, parents, families, and faculty and staff members. Teachers and school administration communicate via our school website, PowerSchool Parent Portal, School Messenger, Google Meet, email and phone. We welcome parental feedback on school events and procedures.

Historically the PTO sponsors assemblies, field trips and enrichment activities for the students. We offer a program called "Everybody Wins" that matches parents and community volunteers with students to read and eat lunch together on a weekly basis. It has been a very positive program. We are anticipating a return to this program in 2022-2023 as the pandemic restrictions recede.

Efforts to Reduce Racial, Ethnic and Economic Isolation

Sharon Center School is a district of one school. We enroll students in grades K through 8, offering a traditional program of studies. Our official enrollment on October 1, 2021 showed 96 students. We graduated ten eighth graders, proudly sending them to Housatonic Valley Regional High School and Oliver Wolcott Technical High School.

Our efforts to reduce racial, ethnic, and economic isolation continue to be somewhat limited in 2021-2022 due to the global pandemic and our geographic isolation.

Programs such as Nature's Classroom, Grade Four Arts Day, the eighth-grade class trip, and other field trips, attempt to enhance diversity. We seek opportunities to bring to our students virtual and in-person assemblies that promote diversity. Our students experience cultural studies through their social studies program and foreign language program.

Equitable Allocation of Resources among District Schools

Sharon Center School is a district of one school. We enroll students in grades K through 8, offering a traditional program of studies. Our official enrollment on October 1, 2021 showed 96 students. Along with five other towns, each with their own elementary school, we finance a Regional High School covering a 250 square mile radius, a Superintendent's Office, and a Pupil Services Department. The funding from the local towns is based on a percentage basis. Each board of education presents a budget to the board of finance and to the community. A hearing is held in April and a town vote is in May. Almost all of our funding is through local taxation. Approximately 1% of our budget comes from the State of Connecticut and Federal funding.
