Notes

Unless otherwise noted, all data are for 2022-23 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality. Complete data suppression guidelines are available at <https://tinyurl.com/SuppressionPolicy>

N/A is displayed when a category is not applicable for a district or school.

Performance and Accountability

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

¹ NAEP is often called the "Nation's Report Card." It is sponsored by the U.S. Department of Education. This table compares Connecticut's performance to that of national public school students. Performance standards for state assessments and NAEP are set independently. Therefore, one should not expect performance results to be the same across Smarter Balanced and NAEP. Instead, NAEP results are meant to complement other state assessment data. ³Students demonstrate postsecondary readiness through at least one of the following:

- SAT® - meets benchmark score on SAT, Revised SAT or Connecticut School Day SAT
- ACT® - meets benchmark score on 3 of 4 exams (benchmark score varies by subject)
- AP® - 3 or higher on any one AP® exam
- IB® - 4 or higher on any one IB® exam
- Earning three or more non-remedial college credits cumulatively during high school.

⁴Participation Rate equals the number of test-takers in 11th and 12th grade divided by the number of students enrolled in those grades, as a percentage.

Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

The Gilbert School District

Narratives

School District Improvement Plans and Parental Outreach Activities

The Gilbert School and Winchester Special Education Department work collaboratively to meet the needs of students with disabilities. The Winchester and Gilbert Administration meet weekly to discuss programs and services. Communication with parents, students, faculty and staff (regular and special education) is collaborative, informative and supportive. We hold joint meetings as well as professional development. All parents have access to PowerSchool and School Messenger, providing email blasts, texts and calls to parents. Parents, students and faculty have access to a daily bulletin and receive reminders through their phones and computers. Our website has been updated and reformatted to be more user-friendly, informative, interactive and ADL compliant. We conduct Open House, Community Forums, Transition and Topic-Specific Informational Meetings. Each month, the Head of School sends an "E-News Blast" to inform parents, students and staff of events and happenings at TGS. We are always open to collaborating with community organizations as well as area school districts in activities and events that will benefit our students. Teachers communicate with parents through phone calls, emails and "Good News" postcards, not only with specific concerns they might have but also with good news on their child's growth and success as a student. Teachers hold parent and team meetings to share information and put plans into place with all stakeholders that are needed to support student success. Attendance in every class is closely monitored. Parents have access through PowerSchool to view their child's class and attendance. If students are having a difficult time attending school, our Counselors and Administration meet with students, families and faculty to create plans of action and to give information on community resources. Our Policy Manual can be accessed on our school website so all parents and students have access to TGS policies and procedures. Administration and Social Workers visit homes and/or make referrals to the appropriate agencies when deemed necessary. The district has partnered with Connecticut Junior Republic to provide student/family mental health support and services. CJR has satellite offices in our building providing counseling to our students in grades 7-12. Our teachers use inquiry-based learning, integrating higher-level thinking skills daily into our curriculum. Data is used to drive instruction in grades 7-9 teams as well as departments for grades 10-12. We use 3TR (Take Time to Read) and PLC along with bi-monthly leadership meetings to improve communication and coordinate school-wide efforts in academic improvement. We have contracted with EdAdvance, our regional educational service center, and CREC to complete curriculum audits, assist with curriculum revisions, standards alignment, assessments and instructional techniques.

Efforts to Reduce Racial, Ethnic and Economic Isolation

The Gilbert School has successfully continued our International Residency Program, accepting students from around the world. The premise of this program is "The Gilbert School, Connecting Winsted, Connecticut and the World". Students from grades 7-12 take part in this program at various levels and student diversity programs have been developed to not only welcome new students from around the world but to foster a sense of openness and understanding. Our goal is to integrate all our students within our school community. We have created events where all students can share their talents and everyone can celebrate what makes us unique and special. We have done this through food, dance, art, music, drama, poetry and song. Students are learning to appreciate others interests and talents. Throughout the building we proudly display, through banners and murals, encouraging words, phrases and expressions. We hosted a Celebration of Dominican Republic Independence, coordinating with our Dominican Community members.

We try to create a safe and nurturing school environment where students are encouraged to be Respectful, Responsible and Safe. Positive relationships are formed as we address the growing racial concerns in our country. We continue to focus on social justice and racial equity with our students and staff. With an increasing number of Spanish speaking students as well, The Gilbert School has an ELL teacher who has worked diligently to provide Professional Development for teachers working with Second Language Speakers. Publications and Gilbert attire are available in multiple languages for all of our families including our international families. Our website is ADA compliant.

In October 2021, the Gilbert Administration introduced the Wingman Program to our student body through presentations by Ian Hockley, Executive Director of Dylan's Wings of Change and we have continued with this successful program this school year. Among the many objectives of the program is the primary goal of improving school climate and culture. Wingman Student Leaders lead the student body in trust-building group activities designed to foster and inspire real connections between peers, in an effort to create a welcoming and inclusive school community.

Equitable Allocation of Resources among District Schools

The Gilbert School is a one-district school. Winchester Public Schools, which serves grades PreK-6, is our sending district. Winchester Public Schools has representation on our Finance Committee that develops and recommends the budget to the full Board of Education. There are four representatives from Winchester who are members of our full Board. The Town of Winchester serves as the primary source of funding for The Gilbert School. A joint committee of Gilbert and Winchester Board members is involved in the budget process.
