Notes

Unless otherwise noted, all data are for 2021-22 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality. Complete data suppression guidelines are available at <https://tinyurl.com/SuppressionPolicy>

N/A is displayed when a category is not applicable for a district or school.

Performance and Accountability

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

Performance standards for state assessments and NAEP are set independently. Therefore, one should not expect performance results to be the same across Smarter Balanced and NAEP. Instead, NAEP results are meant to complement other state assessment data. To view performance on NAEP by student group, at

³Students demonstrate postsecondary readiness through at least one of the following:

- SAT® - meets benchmark score on SAT, Revised SAT or Connecticut School Day SAT
- ACT® - meets benchmark score on 3 of 4 exams (benchmark score varies by subject)
- AP® - 3 or higher on any one AP® exam
- IB® - 4 or higher on any one IB® exam
- Earning three or more non-remedial college credits cumulatively during high school.

⁴Participation Rate equals the number of test-takers in 11th and 12th grade divided by the number of students enrolled in those grades, as a percentage.

Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

Narratives

School District Improvement Plans and Parental Outreach Activities

Parish Hill Middle High School (PHMHS) is committed to integrating students with disabilities into the school community to the fullest extent and as appropriate for each individual child. A wide range of services are offered to ensure student needs are met. This includes but is not limited to co-taught general education classes, general education classes with support, and resource room classes. Students requiring specialized services most often receive supports at PHMHS in order to remain connected to the school community. Students requiring specialized programs are placed close to home for students to access community resources, vocational opportunities, and recreational activities. PHMHS accepts out of district students at a base tuition rate of \$7900 a year, making Parish Hill an attractive alternative to districts and families who are seeking a small and supportive high school to receive individualized services. PHMHS universally screens all students to determine learning needs and employs data-driven decision-making to monitor student progress, identify students in need of support, and develop prescriptive programs. ELA, Math, and Enrichment labs service students in need of intervention and advance students who are at or above grade level. Featuring a small school setting with a low student-to-teacher ratio and a high graduation rate, the vast majority of PHMHS students find success in both post-secondary college and career settings. Most recently, PHMHS was named the 31st best public high school in CT by US News and World Report.

PHMHS uses various strategies to address truancy such as monthly attendance reviews, Peer Mentoring, Student Council advisory, and a vibrant Advisory Program that pairs small groups of students to an adult to create an all-inclusive family-style atmosphere. Students and families are contacted regularly before truancy becomes an issue requiring formal attendance letters to be sent home. Letters are followed up with phone calls to offer support as needed. Meetings are held with parents, guardians, the student, counselors, admin and support personnel to resolve attendance issues. PHMHS conducts home visits by members of our school and the Community Safety Officer. Finally, PHMHS works with the Department of Children and Families or other community and state agencies to solicit family supports.

PHMHS has a strong Parent-Teacher-Student-Association (PTSA) that engages parents and community members in decision-making opportunities and promotes all that is exceptional about PHMHS. Our PTSA is instrumental in providing vital feedback on programs and curricular initiatives that meet the most current needs of our students and community. Over the past five years, Parish Hill staff were awarded various Connecticut Parent Teacher Association honors that include Superintendent, High School Principal, Middle School Principal, Assistant Principal, and High School and Middle School Teachers of the Year Awards in recognition of notable contributions to the school and community. PHMHS is most proud to be named a National Parent Teacher Association School of Excellence.

PHMHS staff regularly communicate with parents and guardians via in person or Zoom meetings in order to meet the needs of parents working from home. Zoom meetings have been held for PT conferences, PPTs, 504s, and attendance meetings as needed.

Efforts to Reduce Racial, Ethnic and Economic Isolation

Recently, the PHMHS PTSA provided all staff and local community members with free Mental Health First Aid Certification training, courtesy of Hartford Health Care, and the NAACP led a whole-school assembly and met with students in individual classes to speak about racism from historical and contemporary perspectives. Representatives from the Hero Center led a whole-school assembly and aired the film Etched in Glass about the life of Steve Ross in honor of International Holocaust Remembrance Day. The school social worker and student leaders led school-wide "Starts with Hello" and "Say Something" movements sponsored by The Sandy Hook Promise organization. Regular assemblies are held featuring regional presenters and for the purpose of staging regular student recognitions. A group of staff and community members convened to form curriculum review and disciplinary review committees to incorporate cultural diversity and varied perspectives into all areas of the curriculum and code of conduct. Students take various World Language (Chinese, German, etc.) courses and other academic courses not offered at school through online virtual distance learning platforms. The school has developed a strong advisory program featuring weekly grade specific lessons for students centered on topics such as diversity, anti-bullying, respect and responsibility. PHMHS uses The Second Step curriculum for middle school students through periodic push-in lessons. Extracurricular clubs such as the Diversity Club, Model UN, Peer Mentors, Peer Mediation, and GSA provide an open forum for students to express their diversity and learn about equity. PHMHS utilizes an open enrollment policy in an effort to increase participation in Advanced Placement courses. The school social worker attends cultural competency training to address homeless student needs and rights, and organizes the Adopt-A-Family and Helping Hands initiatives to help feed and clothe those less fortunate in the community. Several students and families have attended cultural trips to Washington DC, France, Spain, and Quebec. Seventh and eighth grade students are eligible to attend the Windham STEM Academy (via lottery) and high school students can attend ACT Magnet High School in Willimantic or Quinebaug Middle College in Danielson.

Equitable Allocation of Resources among District Schools

Parish Hill Middle High School is the only school within Regional School District 11. Regular communication with administration, special education, student services, community members, the PTSA and all departments ensure district resources are allocated in an equitable and consistent manner.
