#### Notes

Unless otherwise noted, all data are for 2022-23 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

\* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality. Complete data suppression guidelines are available at <https://tinyurl.com/SuppressionPolicy>

N/A is displayed when a category is not applicable for a district or school.

## Ansonia School District

### Performance and Accountability

#### District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

<sup>1</sup> NAEP is often called the "Nation's Report Card." It is sponsored by the U.S. Department of Education. This table compares Connecticut's performance to that of national public school students. Performance standards for state assessments and NAEP are set independently. Therefore, one should not expect performance results to be the same across Smarter Balanced and NAEP. Instead, NAEP results are meant to complement other state assessment data. <sup>2</sup>The Connecticut Physical Fitness Assessment (CPFA) is administered to students in Grades 4, 6, 8 and High School (HS). The health-related fitness scores gathered through the CPFA should be used to educate and motivate children and their families to increase physical activity and develop lifetime fitness habits.

<sup>3</sup>Only students assessed in all four areas are included in this calculation.

<sup>3</sup> Students demonstrate postsecondary readiness through at least one of the following:

- SAT® - meets benchmark score on SAT, Revised SAT or Connecticut School Day SAT
- ACT® - meets benchmark score on 3 of 4 exams (benchmark score varies by subject)
- AP® - 3 or higher on any one AP® exam
- IB® - 4 or higher on any one IB® exam
- Earning three or more non-remedial college credits cumulatively during high school.

<sup>4</sup> Participation Rate equals the number of test-takers in 11th and 12th grade divided by the number of students enrolled in those grades, as a percentage.

### Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

## Ansonia School District

### Narratives

---

#### **School District Improvement Plans and Parental Outreach Activities**

Ansonia Public Schools is increasing the continuum of services that are provided in district. We have increased our ability to service students with the addition of a district social worker and expanding the Life Skills program for 18 to 21 year old students (transition programing). Ansonia has dedicated funds to build classrooms that support the needs of students that have been previously out-placed to ensure that they can be serviced within district. As part of these classrooms Ansonia has hired additional support staff to ensure there is a responsible transition back to their home district. Truancy prevention has proven to be an area of continual effort. Ansonia Public Schools has partnered with the Ansonia Youth Bureau; through this combined effort we have a community outreach worker that assists these students and families. Ansonia's Youth Bureau Director reaches out to students and families of those with past and present truancy issues. In an effort to support student learning at home, Ansonia has moved to a one-to-one technology program. The district has secured devices and wifi/internet/hotspots for those with issues with connectivity. The district has purchased web based programs that parents and students can access from home. Most content areas have a web based learning component for parents to stay connected, to follow their child's learning, and to engage in meaningful activities that will support continued learning. The district has also invested in a new communication tool: ParentSquare to increase school and home communication. Also, the district has moved to PowerSchool for our student information system to aid in real-time communication, attendance, grading, and assignment tracking.

#### **Efforts to Reduce Racial, Ethnic and Economic Isolation**

The Ansonia Public School District educates an increasingly diverse student population. Over 70% of students qualify for free and reduced-priced meals - we are a Community Eligibility Provision district. The district has taken significant steps to reduce economic, ethnic, and racial isolation. The grade-level structure of our elementary schools is specifically designed to reduce such isolation. Our two K-6 elementary schools both serve a representative population of students from the entire city a€" rather than being neighborhood-based (next year our elementary schools will be Pre-K to 5). Our Central Office Registrar ensures that each classroom within these schools receives an enrollment that is reflective of the community's diversity. Over ten years ago, the creation of a Human Relations Club at our High School and Middle School has been a significant contribution toward these efforts. This student-led organization has grown to nearly 150 members between the two buildings. They lead and sponsor diversity programming for students in our schools and for community members, specifically targeting the elderly population through an inter-generational project. Ansonia has been collaborating with the Boys & Girls Club of the Lower Naugatuck Valley since 2002 to offer after school programming geared to low-income students in grades 6-8 who require additional support in academics, recreational and enrichment activities. Many of our K-12 teachers lead programs that bring Ansonia students into other communities and learning experiences, including State Department of Education Inter-district Cooperative Grant Programs. Ansonia participates in the New Haven Magnet School Program, and over 200 of our students attended one of the magnet schools last year. Ansonia has added a position that supports diversity, equity, and inclusion; this staff member working hard to reduce racial and ethnic barriers and create an inclusive educational environment.

## Ansonia School District

### **Equitable Allocation of Resources among District Schools**

Ansonia Board of Education's policy is that each of our schools within the district receives comparable resources, taking into account a variety of data related to District and School Improvement Plans, student achievement, financial limitations, and differing needs among schools and grade levels. In order to ensure equity, a four step process is followed: First, each building administrator works with her/his staff to assess grade-level curricular needs and develop a proposed annual budget aligned to their School Improvement Plan. Then, each administrator meets with the Superintendent to explain and justify this proposed building budget. Once the Superintendent has all submissions compiled, he applies his own review and adjustment process to balance the distribution of funding among buildings and initiatives checking that all budget requests are aligned to the goals of School and District Improvement Plans. Competing requests are evaluated and prioritized on the basis of which will add the highest value to help the district achieve its student achievement goals. Once finished, the Superintendent's budget is presented to the Board of Education for final approval.
