Notes

Unless otherwise noted, all data are for 2020-21 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality, or to ensure that statistics based on a very small sample size are not interpreted as equally representative as those based on a sufficiently larger sample size.

N/A is displayed when a category is not applicable for a district or school.

Number of students in 2019-20 qualified as truant under state statute: 0

Number of school-based arrests: 0

NOTE: In the 2020-21 school year, students attended school in-person to varying degrees; some learned fully/mostly remotely for the entire school year. Chronic absenteeism calculations are based only on in-person school days.

⁴ A student is chronically absent if they miss ten percent or greater of the total number of days enrolled in the school year for any reason. Pre-Kindergarten students are excluded from this calculation.

⁵ This column displays the count and percentage of students who receive at least one in-school suspension, out-of-school suspension or expulsion.

Performance and Accountability

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no table is shown here. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

National Assessment of Educational Progress (NAEP): Percent At or Above Proficient¹

National Public	34	32	36
MATH	Grade 4	Grade 8	Grade 12
Connecticut	45	39	32
National Public	40	33	25

¹ NAEP is often called the "Nation's Report Card." It is sponsored by the U.S. Department of Education. This table compares Connecticut's performance to that of national public school students. Performance standards for state assessments and NAEP are set independently. Therefore, one should not expect performance results to be the same across Smarter Balanced and NAEP. Instead, NAEP results are meant to complement other state assessment data. Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, a modified table is shown below. All indicators that were not calculated for the 2020-21 school year (including overall Accountability Index) have been excluded and columns that referenced points have also been removed to avoid confusion. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

Gap Indicators	Non-High Needs Rate ¹	High Needs Rate	Size of Gap	State Gap Mean +1 Stdev ²	Is Gap an Outlier? ²
Graduation Rate Gap	.	.	.	.	.

¹ If the Non-High Needs Rate exceeds the ultimate target (75 for Performance Index and 94% for graduation rate), the ultimate target is used for gap calculations.

² If the size of the gap exceeds the state mean gap plus one standard deviation, the gap is an outlier.

NOTE: A dot (.) appears in the table above when there are fewer than 20 students in at least one of the student groups used to calculate the gap measure or the indicator is not applicable based on grades served.

Connecticut's State Identified Measurable Result (SIMR) for Children with Disabilities

Increase the reading performance of all 3rd grade students with disabilities statewide, as measured by Connecticut's English Language Arts (ELA) Performance Index.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no SIMR data are available. Narratives

School District Improvement Plans and Parental Outreach Activities

In Fall of 2020 the Barkhamsted Board of Education conducted an evaluation of the district's goals and objectives in the three year district improvement plan. A committee composed of BOE members, administration, teachers and parents was assembled to review and update the district goals. The district goals directly support the Portrait of the Successful Student.

Our work with the Portrait of the Successful Student promotes 21st century skills that are necessary for success in the world after graduation. The five selected competencies promote a shift in learning control from teacher to student providing an environment that maintains student engagement and interest. The district RTI plan highlights the scaffolded supports in programming and differentiated learning efforts of the school community to meet the unique needs of each of our students.

The Barkhamsted School is in its third year implementation of RULER which is an evidence-based approach for integrating social and emotional learning into schools, developed at the Yale Center for Emotional Intelligence. RULER applies "hard science" to the teaching of what have historically been called "soft skills." RULER skills and strategies were integrated into classrooms across all grade levels. In addition, daily morning announcements and class meetings taught specific skills, strategies and emotional vocabulary. Student knowledge around the RULER skills and vocabulary was assessed at the start and end of the school year. Students demonstrated significant improvement in both their use of RULER skills as well as improvement in their emotional vocabulary.

Engaging families in student learning is an ongoing school-wide goal that every certified professional supports. Teachers at The Barkhamsted School communicate regularly with families through phone calls, emails, written monthly updates, Google classroom, digital portfolios and videos of student presentations, etc.

The school nurse works closely with administration and families to prevent absenteeism in the district through frequent contact with families and supplying information regarding outside services when necessary. Monthly attendance reports are analyzed and letters sent to parents to inform them of attendance data and trends.

The Barkhamsted School houses both a regional integrated preschool and the Bridges Program providing a Pre-K through 6th grade continuum of specialized instruction for students. Special education programming and services are continually improved through the iterative process of reflection and revision. Several staff members are trained in Wilson and/or Orton-Gillingham.

Efforts to Reduce Racial, Ethnic and Economic Isolation

The Barkhamsted School demonstrates effort to reduce racial, ethnic, and economic isolation through a variety of curricular activities. Learning tasks designed to increase student awareness of the diversity of individuals and cultures are embedded and integrated in Social Studies, Reading, and Writing units across all grade levels K-6. In the primary grades, students are introduced to studies of a variety of cultures and traditions while the intermediate grades dive more deeply into a variety of cultures through the study of the immigration of various ethnic groups.

Barkhamsted School students participate in a variety of learning experiences where they communicate with schools across the country and around the world. Students communicate regularly with others using technology such as Google Meet, Flipgrid and SeeSaw.

Extracurricular experiences that all students participate in include author visits and virtual field trips throughout the year.

District staff attended minority recruitment workshops. A district-wide hiring procedure was implemented and approved by the BOE.

Equitable Allocation of Resources among District Schools

The Town of Barkhamsted maintains only one school; The Barkhamsted School. All resources from the Board of Education budget are allocated to The Barkhamsted School.
