Notes

Unless otherwise noted, all data are for 2020-21 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality, or to ensure that statistics based on a very small sample size are not interpreted as equally representative as those based on a sufficiently larger sample size.

N/A is displayed when a category is not applicable for a district or school.

Number of students in 2019-20 qualified as truant under state statute: 37

Number of school-based arrests: 0

NOTE: In the 2020-21 school year, students attended school in-person to varying degrees; some learned fully/mostly remotely for the entire school year. Chronic absenteeism calculations are based only on in-person school days.

⁴ A student is chronically absent if they miss ten percent or greater of the total number of days enrolled in the school year for any reason. Pre-Kindergarten students are excluded from this calculation.

⁵ This column displays the count and percentage of students who receive at least one in-school suspension, out-of-school suspension or expulsion.

Performance and Accountability

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no table is shown here. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

National Assessment of Educational Progress (NAEP): Percent At or Above Proficient¹

National Public	34	32	36
MATH	Grade 4	Grade 8	Grade 12
Connecticut	45	39	32
National Public	40	33	25

¹ NAEP is often called the "Nation's Report Card." It is sponsored by the U.S. Department of Education. This table compares Connecticut's performance to that of national public school students. Performance standards for state assessments and NAEP are set independently. Therefore, one should not expect performance results to be the same across Smarter Balanced and NAEP. Instead, NAEP results are meant to complement other state assessment data. Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, a modified table is shown below. All indicators that were not calculated for the 2020-21 school year (including overall Accountability Index) have been excluded and columns that referenced points have also been removed to avoid confusion. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

Indicator		Index/Rate	Target	State Average Index/Rate
Chronic Absenteeism	All Students	14.5%	<=5%	19.0%
	High Needs Students	36.5%	<=5%	30.2%

Graduation Rate Gap	94.0%	95.5%	-1.5%	9.8%	N

¹ If the Non-High Needs Rate exceeds the ultimate target (75 for Performance Index and 94% for graduation rate), the ultimate target is used for gap calculations.

² If the size of the gap exceeds the state mean gap plus one standard deviation, the gap is an outlier.

NOTE: A dot (.) appears in the table above when there are fewer than 20 students in at least one of the student groups used to calculate the gap measure or the indicator is not applicable based on grades served.

Connecticut's State Identified Measurable Result (SIMR) for Children with Disabilities

Increase the reading performance of all 3rd grade students with disabilities statewide, as measured by Connecticut's English Language Arts (ELA) Performance Index.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no SIMR data are available. Bolton School District

Narratives

School District Improvement Plans and Parental Outreach Activities

Bolton Public Schools is committed to a continuous improvement process. The mission of the Bolton Public Schools is to inspire all students to grow as learners, individuals, and citizens.

The Bolton Public Schools Strategic Plan 2020 - 2025 serves as the blueprint to improve student outcomes guided by four goals including student success, a caring culture, talent development, and resource stewardship. The five year district goals are aligned to the Strategic Plan and are supported by building and administrator goals, teacher professional growth goals, and student learning outcomes. The collective vision of the learner, known as the Portrait of a Graduate, defines the qualities and attributes that we expect all Bolton students to develop in order to be successful in college, career, life, and as global citizens. Focused, on-going, job-embedded professional development supports the aligned individual, team, school, and district goals.

The continuous examination of data informs our decisions regarding allocation of resources, instructional decisions, and the implementation of interventions. We continue to implement a comprehensive team approach to address the unique learning needs of all students through a continuum of services. Student attendance is closely monitored, tracked, and recorded throughout the district with set procedures. Although we have a very low truancy rate, we utilize attendance data to identify students who have attendance issues and work with the students and their families to improve their attendance rate.

Bolton Public Schools utilizes a variety of supports to engage families in student learning. These efforts include regular PTA, Booster Club, and Scholarship Committee meetings with parents and staff, and a communication goal for all teachers in which they demonstrate how they communicate with parents. During this year of the pandemic, each school regularly held open "Zoom" gatherings to share information and respond to questions. The pandemic provided the opportunity to establish more personalized, two-way communication between schools and families and to build each family's capacity and confidence in their ability to support their child's learning by modeling practices and sharing resources and tools. We utilize a host of communication tools including our resource filled website, School Messenger, principal and teacher videos, and quarterly newsletters which include school information, updates, and ways to support parents in working at home with their children on learning activities.

Efforts to Reduce Racial, Ethnic and Economic Isolation

Bolton Public Schools is committed to fostering understanding of various groups in our society and world, promoting equity and respect among people, and providing learning experiences for students to reduce racial, ethnic, and economic isolation. Equity and respect among students are promoted through the learning experiences in academic programs as well as extra-curricular and athletic offerings. Both schools utilize PBIS which promotes a healthy school climate through numerous events and activities that foster positive behavior, respect of self and others, tolerance, and acceptance of differences.

Our schools continue to provide a host of learning experiences that actively engage our learners while respecting their cultural integrity. Bolton continues to participate in the Hartford Open Choice program for the last nineteen years with 48 students attending Bolton schools in 2020-2021. Training and professional learning around equity, anti-racism, and culturally responsive teaching has been provided to all staff. In the Bolton Public Schools, we believe that an understanding of and respect for diverse beliefs, cultures, backgrounds, abilities, and perspectives enrich the lives and learning environments for all our students.

Equitable Allocation of Resources among District Schools

The Bolton Board of Education is committed to ensuring an equitable allocation of resources among its schools. The budget is specifically designed to support building goals that in turn support district goals. Expanding access to technology, moving forward with curriculum renewal, providing high quality professional learning for staff, and maintaining core programs are the priorities that guide decision making about resource allocation. The budget process entails four critical steps: 1) public and staff commentary on budget needs; 2) program area/building level budget preparation; 3) district budget development; and 4) budget presentation and work sessions. Each step of the process is designed to encourage participation and input. Enrollment figures are closely monitored to ensure the appropriate distribution of staff and resources. The Board receives additional monies from both State and Federal sources to help finance remedial and special education programs. In addition to the operational budget, the district prepares and updates a five-year plan for capital improvements that is submitted to the town's Capital Expenditure Committee for approval.
