Notes

Unless otherwise noted, all data are for 2020-21 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality, or to ensure that statistics based on a very small sample size are not interpreted as equally representative as those based on a sufficiently larger sample size.

N/A is displayed when a category is not applicable for a district or school.

Number of students in 2019-20 qualified as truant under state statute: 25

Number of school-based arrests: Fewer than 6

NOTE: In the 2020-21 school year, students attended school in-person to varying degrees; some learned fully/mostly remotely for the entire school year. Chronic absenteeism calculations are based only on in-person school days.

⁴ A student is chronically absent if they miss ten percent or greater of the total number of days enrolled in the school year for any reason. Pre-Kindergarten students are excluded from this calculation.

⁵ This column displays the count and percentage of students who receive at least one in-school suspension, out-of-school suspension or expulsion.

Performance and Accountability

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no table is shown here. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

National Assessment of Educational Progress (NAEP): Percent At or Above Proficient¹

National Public	34	32	36
MATH	Grade 4	Grade 8	Grade 12
Connecticut	45	39	32
National Public	40	33	25

¹ NAEP is often called the "Nation's Report Card." It is sponsored by the U.S. Department of Education. This table compares Connecticut's performance to that of national public school students. Performance standards for state assessments and NAEP are set independently. Therefore, one should not expect performance results to be the same across Smarter Balanced and NAEP. Instead, NAEP results are meant to complement other state assessment data. Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, a modified table is shown below. All indicators that were not calculated for the 2020-21 school year (including overall Accountability Index) have been excluded and columns that referenced points have also been removed to avoid confusion. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

Indicator		Index/Rate	Target	State Average Index/Rate

Gap Indicators	Non-High Needs Rate ¹	High Needs Rate	Size of Gap	State Gap Mean +1 Stdev ²	Is Gap an Outlier? ²
Graduation Rate Gap	94.0%	89.1%	4.9%	9.8%	N

¹ If the Non-High Needs Rate exceeds the ultimate target (75 for Performance Index and 94% for graduation rate), the ultimate target is used for gap calculations.

² If the size of the gap exceeds the state mean gap plus one standard deviation, the gap is an outlier.

NOTE: A dot (.) appears in the table above when there are fewer than 20 students in at least one of the student groups used to calculate the gap measure or the indicator is not applicable based on grades served.

Connecticut's State Identified Measurable Result (SIMR) for Children with Disabilities

Increase the reading performance of all 3rd grade students with disabilities statewide, as measured by Connecticut's English Language Arts (ELA) Performance Index.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no SIMR data are available. Narratives

School District Improvement Plans and Parental Outreach Activities

It is the mission of Coventry Public Schools to create an environment that prepares students for life, learning and work in the 21st century. We are an exemplary learning community that supports innovation and is committed to challenging all learners. After reflecting on teaching and learning in a remote setting as a result of school closures in March 2020, the Coventry team explored potential options for Extended School Year (ESY) for the 2020-2021 school year. The options included remote instruction, hybrid model, or in-person learning. This model served as the basis for reopening schools in a hybrid learning model for the 2020-2021 school year, outlined in the Coventry Public Schools Reopening Plan 2020. By the end of September the district was confident that it could effectively transition to full in-person learning. Across the district, only a small percentage of families opted into remote learning; those students accessed instruction via synchronous instruction. In-person students quickly adapted to changes to their school day schedules and environment with multiple safety protocols in place.

A continuous district goal, and one that is woven into all schools' improvement plans, is to recruit, retain, and develop high quality staff at every level. Professional Development for staff focused on effective instructional practices and technology training for varied instructional models, Social Emotional Learning, Staff Self Care, Racial Equity, Trauma Informed Practices, and preparation to welcome Open Choice students. Staff monitored students' social and emotional learning progress, making additional referrals to the related services team to support students' wellbeing.

Coventry Public Schools remained committed to providing a continuum of services during this pandemic year. Hale Early Education Center, fully accredited through the National Association for Education of Young Children (NAEYC), provided high quality preschool education for all students. Programming for students with intensive needs K-12 is strong with high quality staff and two Board Certified Behavior Analysts. Coventry's Transition Program for students 18-22 at Patriot's Park prepares students with daily living and vocational skills needed for success in life. Parent and community involvement continues to be a priority of Coventry Public Schools. Involvement is encouraged by the Superintendent's Open Door Meetings, Superintendent Q&A sessions, and Coventry Bridges monthly office hours; all of which establish open communication and collaboration. Schools' staff engaged parents in virtual orientation meetings, parent-teacher conferences, speakers and parent meetings. Families who opted into the remote learning instructional model were contacted weekly by our related services staff for a friendly check-in. Families of students with high absenteeism were contacted on numerous occasions to enhance the home-school partnership to work together to address barriers to attending school. This year building administrators made a concerted effort to keep parents well informed by sending updates via weekly school messenger emails. Due to the COVID-19 Pandemic, all meetings were held virtually this year.

Efforts to Reduce Racial, Ethnic and Economic Isolation

Coventry Public Schools is committed to providing opportunities for students and teachers to increase awareness of diversity and to show greater sensitivity regarding differences. The faculty and staff have established a variety of programs that celebrate racial, cultural, economic, and ethnic diversity. During the 2020-2021 school year, Coventry High School (CHS) supported clubs such as International Travel, Albert Schweitzer, and the Gay Straight Alliance, offering support and awareness of diversity. The Social Studies and ELA curriculum were designed to discuss and bring awareness to a variety of social and economic issues throughout the US and the world. Coventry Public Schools financially subsidizes all students taking advanced placement and Early College Experience courses. At Coventry Academy, students read and responded to a variety of texts that examined the themes of class, racism and culture. Social Workers conducted lessons with students to address social and racial biases. At Capt. Nathan Hale (CNH), Lessons on Diversity were part of the developmental guidance curriculum in Grade 6. In Grade 7, the ELA team taught an African American historical fiction unit. Grade 8 taught a unit on autism and one on World War II. G. H. Robertson School (GHR) began to review new, culturally relevant texts and have purchased over 50 new titles this year. The arts curriculum included units on African, Aboriginal and Mexican/Central American folk arts and crafts. Students in Grade 5 participated in EASTCONN's Faces of Culture Interdistrict Cooperative grant. Coventry Grammar School (CGS) spent the 20-21 school year preparing to become an Open Choice site. Students and families had the opportunity to attend a virtual author visit by Abdul-Razak Zachariah whose book, *The Night is Yours*, celebrates blackness and self-confidence. Hale Early Education Center (HEEC) received two grants which made it possible for financially needy families to send their children to preschool. They also participated in various outreach activities including support for Youth Services and Social Services programs and virtual library story times. Staff at all levels participated in diversity and equity professional development.

Equitable Allocation of Resources among District Schools

Coventry Public Schools is committed to issues of equity throughout all subsystems of the organization. The administration has established a site-based budgeting procedure and budget development practice that ensures equitable allocation of resources among district schools. Categorical expenditures are analyzed on a per pupil basis and discrepancies are addressed through the budget revision process. Contractual language sets the basis for staff allocations that are consistently implemented across the district. Through the dedication and involvement of parent groups, various faculty committees, and the Board of Education, issues of equity and resources are addressed.
