Notes

Unless otherwise noted, all data are for 2020-21 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality, or to ensure that statistics based on a very small sample size are not interpreted as equally representative as those based on a sufficiently larger sample size.

N/A is displayed when a category is not applicable for a district or school.

State		19.0		1.4

Number of students in 2019-20 qualified as truant under state statute: 290

Number of school-based arrests: Fewer than 6

NOTE: In the 2020-21 school year, students attended school in-person to varying degrees; some learned fully/mostly remotely for the entire school year. Chronic absenteeism calculations are based only on in-person school days.

⁴ A student is chronically absent if they miss ten percent or greater of the total number of days enrolled in the school year for any reason. Pre-Kindergarten students are excluded from this calculation.

⁵ This column displays the count and percentage of students who receive at least one in-school suspension, out-of-school suspension or expulsion.

Performance and Accountability

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no table is shown here. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

National Assessment of Educational Progress (NAEP): Percent At or Above Proficient¹

	NAEP 2019		NAEP 2013
READING	Grade 4	Grade 8	Grade 12
Connecticut	40	41	50
National Public	34	32	36
MATH	Grade 4	Grade 8	Grade 12
Connecticut	45	39	32
National Public	40	33	25

¹ NAEP is often called the "Nation's Report Card." It is sponsored by the U.S. Department of Education. This table compares Connecticut's performance to that of national public school students. Performance standards for state assessments and NAEP are set independently. Therefore, one should not expect performance results to be the same across Smarter Balanced and NAEP. Instead, NAEP results are meant to complement other state assessment data. Students with Disabilities	77.0	36	16.9
District	94.4	904	64.3
State	85.0		36.0

³College readiness exams and benchmark scores are as follows:

- SAT® - meets benchmark score on SAT, Revised SAT or Connecticut School Day SAT
- ACT® - meets benchmark score on 3 of 4 exams (benchmark score varies by subject)
- AP® - 3 or higher on any one AP® exam
- IB® - 4 or higher on any one IB® exam

⁴Participation Rate equals the number of test-takers in 11th and 12th grade divided by the number of students enrolled in those grades, as a percentage.

Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, a modified table is shown below. All indicators that were not calculated for the 2020-21 school year (including overall Accountability Index) have been excluded and columns that referenced points have also been removed to avoid confusion. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

Indicator		Index/Rate	Target	State Average Index/Rate
Chronic Absenteeism	All Students	8.0%	<=5%	19.0%
	High Needs Students	14.9%	<=5%	30.2%
Preparation for CCR	% Taking Courses	94.1%	75%	80.6%

Postsecondary Entrance (Class of 2020)		81.7%	75%	67.4%
Arts Access		60.8%	60%	50.7%

NOTE: A dot (.) appears in the table above when there are fewer than 20 students in the student group or the indicator is not applicable based on grades served.

Gap Indicators	Non-High Needs Rate ¹	High Needs Rate	Size of Gap	State Gap Mean +1 Stdev ²	Is Gap an Outlier? ²
Graduation Rate Gap	94.0%	96.2%	-2.2%	9.8%	N

¹ If the Non-High Needs Rate exceeds the ultimate target (75 for Performance Index and 94% for graduation rate), the ultimate target is used for gap calculations.

² If the size of the gap exceeds the state mean gap plus one standard deviation, the gap is an outlier.

NOTE: A dot (.) appears in the table above when there are fewer than 20 students in at least one of the student groups used to calculate the gap measure or the indicator is not applicable based on grades served.

Connecticut's State Identified Measurable Result (SIMR) for Children with Disabilities

Increase the reading performance of all 3rd grade students with disabilities statewide, as measured by Connecticut's English Language Arts (ELA) Performance Index.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no SIMR data are available. Narratives

School District Improvement Plans and Parental Outreach Activities

Greenwich's Strategic Plan has three overarching goals. Academic, Personal and Interpersonal. The Academic goal ensures each student achieves optimal growth within the core academic disciplines based on multiple variables. The Personal goal ensures each student develops the capacity to be responsible for his or her own physical and mental health and the Interpersonal goal, ensures each student demonstrates growth in personal development and civic responsibility. This is delivered through our curricula, teaching and learning strategies, choice of materials, relationships with students, families, community partners and continuous professional learning.

Parents are members of each School Improvement Team and give feedback that is used in setting FaCE (family and community engagement) goals. Each school sends a representative to the district's Educational Differences Subcommittee (meets monthly) to discuss issues, solutions and achievement in learning outcomes for students with academic and/or SEL challenges both at school and home. This year was the first year we organized a Special Education Advisory Council to build and support a full, equal and equitable partnership between families, the school District and community partners. The Council gives advisory opinions to the Board of Education on matters pertaining to the education and safety of students with disabilities.

This past school year we also had a Special Education Audit conducted to help us to develop an action plan that will guide us to prioritize areas that were discovered needing improvements during the independent audit. This will help us to continuously improve our practice of supporting our instructional programming for our students with disabilities.

The district's focus continues to be personalized learning for all students in order to support their success in achieving their academic, personal and interpersonal goals.

Students and teachers collaboratively review individual student data (including academic, attendance, discipline, social emotional skills, etc.) to determine various pathways to meet their goals and ways to demonstrate their success and mastery in meeting those goals. These goals are then shared with families.

Greenwich also offers a "Seamless Summer Learning Program" for all students. It provides curriculum Playlists. They promote learner choice as well as anytime, anywhere access to district approved digital applications and resources for Humanities, STEM, Fine Arts, World Languages and a library collection of summer reading. Parents can engage their children in learning enjoyment to support prevention of summer learning loss and to support accelerating readiness for more challenging courses. This program can be accessed all year, not just during the summer months.

We also have new curricula documents on our Website for each content area, by grade (k-8) that give the Curriculum Overview, Units to be taught, Student Learning Experiences, What students will do, and What students will practice, understand and demonstrate.

Efforts to Reduce Racial, Ethnic and Economic Isolation

The impact of increasing diversity has enabled us to continuously develop and enhance awareness of the cultural, racial and socio-economic backgrounds of our students and families. This is reflected in our curricula, teaching strategies and choice of materials. The district has a digital device for each student. Hot spots are available for those families who don't have access to the net. We have five magnet schools to provide choice for students and parents at the elementary and middle school level. Themes are: International Baccalaureate (IB) Primary, STEAM Magnet, World Languages Magnet and AVID (Advancement Via Individual Determination). Through rigorous academic programs, we encourage students to be compassionate citizens and critical thinkers who successfully communicate their thinking and act as responsible members of the community. We follow District Norms, they are: Be Here, Be Safe, Be Honest, Care for Self and Others, and Let Go and Move On.

In order to promote the Greenwich Public Schools' "Vision of the Graduate," all schools offer numerous opportunities for students to "pursue their unique interests, passions and curiosities." Here is a sample of some offered activities; Diversity Awareness Club, Sports Intramurals, Gay Straight Alliance Club, Girls' Empowerment, Unified Sports, Neighbor to Neighbor Club, Pop Culture Analysis in the Modern World, Drama Club, and Musical Theater.

The district continues to participate in the Relay Graduate School of Education to recruit candidates of color to the Greenwich Public Schools. We have an active committee for Diversity Recruitment and Retainment. This committee is dedicated to supporting teachers of color in our district and to recruit more diverse future teachers through our professional assistants and our larger diverse community.

Dedicated staff at each school support every student in developing to his or her full potential. The diversity of our children is recognized as a source of strength and a reflection of our world. It is our goal to respect, motivate, inspire and empower each member of our diverse learning community to participate in their educational and civic endeavors. Notices are sent home in a variety of languages to ensure families are able to have a voice in their child's education.

Greenwich School District

Equitable Allocation of Resources among District Schools

The operating and capital budgets are built as zero-based and thoughtfully developed each year on known and anticipated needs as well as historical trends to prioritize the budget development each year.

Greenwich develops our budget on meeting the needs of each individual school community; e.g. high school students need a specific number of credits in English, Mathematics, Science, etc. towards graduation outcomes. The budget documents demonstrate the links between the budget, strategic goals and initiatives as well as the core academic/SEL programs at every school.

We make resources available at each school for necessary curriculum development, revision, and implementation with instructional materials, appropriate staffing and professional learning. Greenwich staffs specialists to support students who need additional services and resources (ELLs, students with disabilities, low socio-economic students, etc.). We utilize the Connecticut Common Core State Standards for program needs and student needs. We use a consistent enrollment class size to determine the number of teachers, specialists, support personnel and staff to assure there is equity of resources across the district.
