Notes

Unless otherwise noted, all data are for 2020-21 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality, or to ensure that statistics based on a very small sample size are not interpreted as equally representative as those based on a sufficiently larger sample size.

N/A is displayed when a category is not applicable for a district or school.

Students with Disabilities ³	628	19.0	16.3

NOTE: To protect student privacy, gender counts are suppressed (*) when fewer than 6 students enrolled in the district identify as non-binary.

² This table represents students in grades PK-12 reported by the district in the Public School Information System (i.e., PSIS Reporting District).

³ Students in this category are students with an individualized education program (IEP) only. This category does not include students with Section 504 plans or services plans.

Chronic Absenteeism and Suspension/Expulsion

District	1,416	43.5	31	0.9
State		19.0		1.4

Number of students in 2019-20 qualified as truant under state statute: 344

Number of school-based arrests: Fewer than 6

NOTE: In the 2020-21 school year, students attended school in-person to varying degrees; some learned fully/mostly remotely for the entire school year. Chronic absenteeism calculations are based only on in-person school days.

⁴ A student is chronically absent if they miss ten percent or greater of the total number of days enrolled in the school year for any reason. Pre-Kindergarten students are excluded from this calculation.

⁵ This column displays the count and percentage of students who receive at least one in-school suspension, out-of-school suspension or expulsion.

Performance and Accountability

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no table is shown here. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

National Assessment of Educational Progress (NAEP): Percent At or Above Proficient¹

READING	NAEP 2019		NAEP 2013
	Grade 4	Grade 8	Grade 12
Connecticut	40	41	50
National Public	34	32	36
MATH	Grade 4	Grade 8	Grade 12
Connecticut	45	39	32
National Public	40	33	25

¹ NAEP is often called the "Nation's Report Card." It is sponsored by the U.S. Department of Education. This table compares Connecticut's performance to that of national public school students. Performance standards for state assessments and NAEP are set independently. Therefore, one should not expect performance results to be the same across Smarter Balanced and NAEP. Instead, NAEP results are meant to complement other state assessment data. Students with Disabilities	63.1	*	*
District	83.9	78	16.4
State	85.0		36.0

³College readiness exams and benchmark scores are as follows:

- SAT® - meets benchmark score on SAT, Revised SAT or Connecticut School Day SAT
- ACT® - meets benchmark score on 3 of 4 exams (benchmark score varies by subject)
- AP® - 3 or higher on any one AP® exam
- IB® - 4 or higher on any one IB® exam

⁴Participation Rate equals the number of test-takers in 11th and 12th grade divided by the number of students enrolled in those grades, as a percentage.

Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, a modified table is shown below. All indicators that were not calculated for the 2020-21 school year (including overall Accountability Index) have been excluded and columns that referenced points have also been removed to avoid confusion. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

Indicator		Index/Rate	Target	State Average Index/Rate

NOTE: A dot (.) appears in the table above when there are fewer than 20 students in the student group or the indicator is not applicable based on grades served.

Gap Indicators	Non-High Needs Rate ¹	High Needs Rate	Size of Gap	State Gap Mean +1 Stdev ²	Is Gap an Outlier? ²
Graduation Rate Gap	.	86.4%	.	9.8%	N

¹ If the Non-High Needs Rate exceeds the ultimate target (75 for Performance Index and 94% for graduation rate), the ultimate target is used for gap calculations.

² If the size of the gap exceeds the state mean gap plus one standard deviation, the gap is an outlier.

NOTE: A dot (.) appears in the table above when there are fewer than 20 students in at least one of the student groups used to calculate the gap measure or the indicator is not applicable based on grades served.

Connecticut's State Identified Measurable Result (SIMR) for Children with Disabilities

Increase the reading performance of all 3rd grade students with disabilities statewide, as measured by Connecticut's English Language Arts (ELA) Performance Index.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no SIMR data are available. New London School District

Narratives

NLPS is on track in its roll-out to become an all-magnet school district. The STEM Magnet Pathway spans K-12; the ARTS Magnet Pathway is currently K-11 and will be K-12 in SY 21-22. The goal is for each pathway to highly engage students in their area of interest and provide high-quality instruction and to reduce racial, ethnic, and economic isolation for all who enroll in NLPS. A third pathway, International Education seeking International Baccalaureate authorization, begins in SY 20-21.

The district adopted the framework "Courageous Conversations About Race."² A districtwide book study was conducted with all staff and the book was also introduced and studied by a group of parents. Keeping our focus on race and racial equity, all staff participated in professional learning about the framework articulated in Singleton's book that was designed to increase awareness of race when designing systems and ensuring access and opportunity for all while asking the critical question "does this decision serve the under-served?"³ The framework is a vehicle through which the district encourages voice and perspective so that it may adequately respond to concerns and challenges. We will always strive to nurture our community of learners through deep understanding of their lives and respect for them and their families.

A drafted Transformational Equity Plan is under review from various stakeholder groups and will be brought to the BOE for adoption.

Also, there are a variety of school clubs and extracurricular activities sponsored for students at the secondary level. These include the Multicultural Club, the Key Club, Dance Team, Latinos in Action, the Athletic Leadership Group, etc. We seek students of color to serve as student representatives on the BOE. Human Resources actively engages in minority recruitment and retention activities that include professional learning as well as recruitment and hiring events to attract staff of color. Community partnerships such as More than Words, Writer's Block, and the New London Youth Group also provide venues through which student voices are heard.

NLPS recognizes that to reduce racial, ethnic, and economic isolation we must build trust with our families, create buy-in, and develop systems that serve all children.

Equitable Allocation of Resources among District Schools

New London Public Schools implemented, as part of its three-year Strategic Plan, a new budgeting model. The new model called for centralization of the budget process which enabled the district to more efficiently and equitably allocate funds to all schools. It also improved the district's ability to monitor spending and ensure that district goals were driving expenditures. This led to greater coherence district-wide and resulted in efficiencies through bulk purchasing of common supplies.

Grant funds are also viewed through the district's equity lens to ensure that all school are equipped with the resources and supplies that they need. Staffing allocations are made based on enrollments, program, and course offerings. All grants are overseen by the Ex. Director of Business and Finance and all schools are included, to the greatest extent possible, based on the parameters of each grant, in any funds awarded to the district.

The district continually seeks and applies for grants to bring in more and more supports and opportunities for students and staff. NLPS was successfully awarded the CT SDE's CN grant for BDJMS and for NLHS as well as additional grants for PreK and SEL.
