Notes

Unless otherwise noted, all data are for 2020-21 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality, or to ensure that statistics based on a very small sample size are not interpreted as equally representative as those based on a sufficiently larger sample size.

N/A is displayed when a category is not applicable for a district or school.

State		19.0		1.4

Number of students in 2019-20 qualified as truant under state statute: 423

Number of school-based arrests: Fewer than 6

NOTE: In the 2020-21 school year, students attended school in-person to varying degrees; some learned fully/mostly remotely for the entire school year. Chronic absenteeism calculations are based only on in-person school days.

⁴ A student is chronically absent if they miss ten percent or greater of the total number of days enrolled in the school year for any reason. Pre-Kindergarten students are excluded from this calculation.

⁵ This column displays the count and percentage of students who receive at least one in-school suspension, out-of-school suspension or expulsion.

Performance and Accountability

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no table is shown here. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

National Assessment of Educational Progress (NAEP): Percent At or Above Proficient¹

National Public	34	32	36
MATH	Grade 4	Grade 8	Grade 12
Connecticut	45	39	32
National Public	40	33	25

¹ NAEP is often called the "Nation's Report Card." It is sponsored by the U.S. Department of Education. This table compares Connecticut's performance to that of national public school students. Performance standards for state assessments and NAEP are set independently. Therefore, one should not expect performance results to be the same across Smarter Balanced and NAEP. Instead, NAEP results are meant to complement other state assessment data. Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, a modified table is shown below. All indicators that were not calculated for the 2020-21 school year (including overall Accountability Index) have been excluded and columns that referenced points have also been removed to avoid confusion. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

Indicator		Index/Rate	Target	State Average Index/Rate
Chronic Absenteeism	All Students	27.8%	<=5%	19.0%

NOTE: A dot (.) appears in the table above when there are fewer than 20 students in the student group or the indicator is not applicable based on grades served.

Gap Indicators	Non-High Needs Rate ¹	High Needs Rate	Size of Gap	State Gap Mean +1 Stdev ²	Is Gap an Outlier? ²
Graduation Rate Gap	92.4%	82.9%	9.6%	9.8%	N

¹ If the Non-High Needs Rate exceeds the ultimate target (75 for Performance Index and 94% for graduation rate), the ultimate target is used for gap calculations.

² If the size of the gap exceeds the state mean gap plus one standard deviation, the gap is an outlier.

NOTE: A dot (.) appears in the table above when there are fewer than 20 students in at least one of the student groups used to calculate the gap measure or the indicator is not applicable based on grades served.

Connecticut's State Identified Measurable Result (SIMR) for Children with Disabilities

Increase the reading performance of all 3rd grade students with disabilities statewide, as measured by Connecticut's English Language Arts (ELA) Performance Index.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no SIMR data are available. Narratives

School District Improvement Plans and Parental Outreach Activities

Plainfield Public Schools strives to provide an inclusive environment for all students every day. We currently have multiple specialized programs within our schools to address students communication, adaptive, behavioral and cognitive challenges while providing wrap-around services for all students in and out of the classroom.

We have an integrated PreK program that is universal and open to the entire community, as well as a Family Resource Center and Head Start program, where we provide small class sizes in comparison to surrounding districts. All of our PreK classrooms have one dual-certified teacher and at least one para-educator.

Plainfield has five specialized programs in grades K-5 to support students adaptive, behavioral and cognitive needs. These programs are all staffed with a certified special education teacher and at least 2-3 para-educators. We strive to maintain small class sizes in these programs, around 1 staff for every 2 students. Students receive direct instruction, specialized instruction focused on their unique needs, as well as social-emotional support and programming, related services, such as OT, PT and Speech services. Students have opportunities to participate with the same age, general education peers throughout the day.

Plainfield has six specialized programs in grades 6-12. We have two programs within our Middle Schools and four programs located at Plainfield High School. We partner with United Services to support our STEP Program, which provides transitional services for students in Grades 10-Post Graduates. Students work on daily living skills, academic skills as well as job site and career coaching throughout the day.

Plainfield Public Schools currently has PT, OT, Speech, Social Work, Guidance Counseling and BCBA services located in every building. We have three school psychologist to support the evaluations and counseling needs of our students.

Plainfield has one Family Support Specialist and will be expanding to an additional Specialist in School Year 21-22. This position works collaboratively with the district to identify ways to provide outreach to families and to provide consultation to families around issues relating to Special Education, Interventions and other related issues. Plainfield Public Schools has provided and will continue to provide multiple avenues for parent input and collaboration through social media, surveys, webinars, parent training opportunities and parent virtual and in-person collaborative meetings. Plainfield Public Schools partnered with Peace at Home to provide free parent resources for our families. We have collaborated with community health agencies in order to provide in district therapy and services for our students in collaboration with families. We continue to partner with multiple community agencies, such as; NECHEAR, NEAT, CHR, TEEG, United Services and others in order to provide a community whole child approach to our students needs.

Efforts to Reduce Racial, Ethnic and Economic Isolation

Plainfield over the past 10 years has seen a rising number of students being eligible for Free and Reduced Lunch as well as transient within the community, as well as a changing racial demographic.

Plainfield currently does not have charter or magnet schools located in its district, however, we actively partner with local magnet schools in the surrounding communities but providing continuous transportation and special education support for students who elect to attend a magnet school.

Plainfield has a curriculum committee that consistently evaluates curriculum to ensure it does not directly or indirectly isolate students from access and foster racial or economic isolation. Plainfield partners with social-emotional agencies to foster strong staff and student, as well as student to student relationships through Institute for Restorative Practices, Shri Mindfulness, Yale Center for Emotional Intelligence as well as special consultants to work with staff, students and parents around social justice and race related issues.

Equitable Allocation of Resources among District Schools

Plainfield Public Schools budgets for students on a need based allocation. Plainfield uses student data around enrollment, special education, and academic/behavioral data to align and re-align resources within the district.

Plainfield has utilized grant funding when necessary to expand teaching staff, programs, professional development and curriculum in order to provide equitable allocation and access to resources.

Plainfield strives to maximize the local and state allocations to the best of our ability, while consistently making student-centered decisions. Plainfield has added programs and services for students while be responsible with local and state funds, utilizing grants, excess aid and the reallocation of resources.

Plainfield begins the budget process in late December and collaborative builds the budget with district and building leaders, union leadership and parent leaders (PTO). The district begins to publicly discuss and display the budget in January/February to collect additional stakeholder input while working collaborative with local government and leadership. Plainfield utilizes enrollment and DRG data to ensure allocations are meeting student and state requirement
