Notes

Unless otherwise noted, all data are for 2020-21 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality, or to ensure that statistics based on a very small sample size are not interpreted as equally representative as those based on a sufficiently larger sample size.

N/A is displayed when a category is not applicable for a district or school.

NOTE: To protect student privacy, gender counts are suppressed (*) when fewer than 6 students enrolled in the district identify as non-binary.

² This table represents students in grades PK-12 reported by the district in the Public School Information System (i.e., PSIS Reporting District).

³ Students in this category are students with an individualized education program (IEP) only. This category does not include students with Section 504 plans or services plans.

State		19.0		1.4

Number of students in 2019-20 qualified as truant under state statute: 39

Number of school-based arrests: 0

NOTE: In the 2020-21 school year, students attended school in-person to varying degrees; some learned fully/mostly remotely for the entire school year. Chronic absenteeism calculations are based only on in-person school days.

⁴ A student is chronically absent if they miss ten percent or greater of the total number of days enrolled in the school year for any reason. Pre-Kindergarten students are excluded from this calculation.

⁵ This column displays the count and percentage of students who receive at least one in-school suspension, out-of-school suspension or expulsion.

Performance and Accountability

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no table is shown here. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

National Assessment of Educational Progress (NAEP): Percent At or Above Proficient¹

National Public	34	32	36
MATH	Grade 4	Grade 8	Grade 12
Connecticut	45	39	32
National Public	40	33	25

¹ NAEP is often called the "Nation's Report Card." It is sponsored by the U.S. Department of Education. This table compares Connecticut's performance to that of national public school students. Performance standards for state assessments and NAEP are set independently. Therefore, one should not expect performance results to be the same across Smarter Balanced and NAEP. Instead, NAEP results are meant to complement other state assessment data. ³College readiness exams and benchmark scores are as follows:

- SAT® - meets benchmark score on SAT, Revised SAT or Connecticut School Day SAT
- ACT® - meets benchmark score on 3 of 4 exams (benchmark score varies by subject)
- AP® - 3 or higher on any one AP® exam
- IB® - 4 or higher on any one IB® exam

⁴Participation Rate equals the number of test-takers in 11th and 12th grade divided by the number of students enrolled in those grades, as a percentage.

Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, a modified table is shown below. All indicators that were not calculated for the 2020-21 school year (including overall Accountability Index) have been excluded and columns that referenced points have also been removed to avoid confusion. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

Indicator		Index/Rate	Target	State Average Index/Rate
Chronic Absenteeism	All Students	11.3%	<=5%	19.0%

Graduation Rate Gap	94.0%	97.8%	-3.8%	9.8%	N

¹ If the Non-High Needs Rate exceeds the ultimate target (75 for Performance Index and 94% for graduation rate), the ultimate target is used for gap calculations.

² If the size of the gap exceeds the state mean gap plus one standard deviation, the gap is an outlier.

NOTE: A dot (.) appears in the table above when there are fewer than 20 students in at least one of the student groups used to calculate the gap measure or the indicator is not applicable based on grades served.

Connecticut's State Identified Measurable Result (SIMR) for Children with Disabilities

Increase the reading performance of all 3rd grade students with disabilities statewide, as measured by Connecticut's English Language Arts (ELA) Performance Index.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no SIMR data are available. Narratives

School District Improvement Plans and Parental Outreach Activities

During the 2020-2021 school year, RSD6 completed an additional update of our Life Skills Program space to specifically provide an ADA compliant green house for students. Additionally, we became a Public School-Based Transition Programs (PSBTPs) registered with the Department of Education. RSD6 continued its expansion services for students with Emotional Disabilities to include specialized transportation, full-time counseling support and a dedicated classroom. RSD6 continues to provide extensive services to students with learning disabilities including continuing professional development toward increased licensure with the Academy of Orton-Gillingham.

Despite the COVID-19 international pandemic, RSD6 was in person starting on August 26, 2020. Weekly attendance meetings are conducted to assess student progress and issues with attendance. Anyone meeting the criteria for chronic absenteeism and those approaching the criteria are discussed and referred for intervention. Interventions include: Attendance meetings, outreach to the parents, referrals to community resources, assessment of social / emotional / physical and learning needs, referrals to Special Education, 504 and/or Student Intervention Team, home visits, coordination with physician and other community providers, regular check in's with a mental health team staff member, possible referral to RSD6 school avoidance program. RSD6 school avoidance program offers credit recovery services, specialized transportation, alternative hours, home/school collaboration, daily home visits as needed, parent education, stand alone classroom with its own entrance, bathrooms, access to counseling services, lunch space, and staffing.

School administrators regularly offer and hold open discussions (e.g. Principal Advisory) meetings with families and community members.

Superintendent conducts a minimum of six in-person town tours (3 in the Fall, 3 in the Spring) to engage families and community members in discussion on school needs, budget and other district concerns they may have.

Committees consisting of teachers and parents plan programs and activities for students (e.g. anti-bullying programs, service projects, positive character traits and behavior incentives).

The student council service projects support local communities with clothes, food, and cards. (collected homemade cards for shut-ins, food drive for the local food bank, hat and mitten drive).

New feature on website, "Educational Opportunities" that offers families and community members educational opportunities for students.

Efforts to Reduce Racial, Ethnic and Economic Isolation

Region 6 expanded summer learning opportunities for the 2020-2021 school year. Programs included a full day elementary summer program available for all students in grades K-4. This program runs four days per week for four weeks in the month of July. Students in this program engaged in academic lessons with certified teachers during the morning activities. In the afternoon, students participated in several rotations centered around social-emotional learning led by a school social worker and school psychologist. Enrichment activities included Lego robotics, art, team sports and physical activity and Agriculture Science.

This program supported the engagement of secondary students at Wamogo. They were given the opportunity to be youth counselors to fulfil community service hours or for those 16 and older, paid employees. This aspect of the program served to further support the positive experience of our younger students while providing our high school students with the opportunity to develop their leadership skills.

Wamogo High School offered a robust program for incoming middle school students during the summer of 2020-2021. This program included one day of team building activities in June at the end of the school year intended to orientate incoming 6th and 7th graders to their new school.

Students in grades 6-8 were invited to participate in a 4 day enrichment program that focused on STEM activities with Lego robotics and an engineering challenge modeling environment science phenomenon that was observed on the field at a local wildlife sanctuary. To wrap up the experience, all middle school students participated in a middle school transition day before the first day of school.

Freshman Orientation called "Froshfest." This program is originally designed to welcome out-of-district students, has evolved into a celebration of differences and an exercise in tolerance and acceptance.

District initiative that included all families and staff on the book selection: Flying Lesson with grade level lessons and activities.

Parents and students have choice to the RSCO area magnet schools, Waterbury Magnet Schools, State Vocational Technical Schools.

Wamogo Pride Coalition, student run club inclusive of diversity and culture at the middle and high school level.

Equitable Allocation of Resources among District Schools

All high school students from economically challenged households receive a laptop computer free of charge. This ensures that all students have access to the same academic opportunities.

Budget lines allocated on a per/student basis.
