Notes

Unless otherwise noted, all data are for 2020-21 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality, or to ensure that statistics based on a very small sample size are not interpreted as equally representative as those based on a sufficiently larger sample size.

N/A is displayed when a category is not applicable for a district or school.

State		19.0		1.4

Number of students in 2019-20 qualified as truant under state statute: 183

Number of school-based arrests: 0

NOTE: In the 2020-21 school year, students attended school in-person to varying degrees; some learned fully/mostly remotely for the entire school year. Chronic absenteeism calculations are based only on in-person school days.

⁴ A student is chronically absent if they miss ten percent or greater of the total number of days enrolled in the school year for any reason. Pre-Kindergarten students are excluded from this calculation.

⁵ This column displays the count and percentage of students who receive at least one in-school suspension, out-of-school suspension or expulsion.

Performance and Accountability

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no table is shown here. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

National Assessment of Educational Progress (NAEP): Percent At or Above Proficient¹

READING	NAEP 2019		NAEP 2013
	Grade 4	Grade 8	Grade 12
Connecticut	40	41	50
National Public	34	32	36
MATH	Grade 4	Grade 8	Grade 12
Connecticut	45	39	32
National Public	40	33	25

¹ NAEP is often called the "Nation's Report Card." It is sponsored by the U.S. Department of Education. This table compares Connecticut's performance to that of national public school students. Performance standards for state assessments and NAEP are set independently. Therefore, one should not expect performance results to be the same across Smarter Balanced and NAEP. Instead, NAEP results are meant to complement other state assessment data. Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, a modified table is shown below. All indicators that were not calculated for the 2020-21 school year (including overall Accountability Index) have been excluded and columns that referenced points have also been removed to avoid confusion. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

Indicator		Index/Rate	Target	State Average Index/Rate
Chronic Absenteeism	All Students	10.0%	<=5%	19.0%

NOTE: A dot (.) appears in the table above when there are fewer than 20 students in the student group or the indicator is not applicable based on grades served.

Gap Indicators	Non-High Needs Rate ¹	High Needs Rate	Size of Gap	State Gap Mean +1 Stdev ²	Is Gap an Outlier? ²
Graduation Rate Gap	94.0%	88.6%	5.4%	9.8%	N

¹ If the Non-High Needs Rate exceeds the ultimate target (75 for Performance Index and 94% for graduation rate), the ultimate target is used for gap calculations.

² If the size of the gap exceeds the state mean gap plus one standard deviation, the gap is an outlier.

NOTE: A dot (.) appears in the table above when there are fewer than 20 students in at least one of the student groups used to calculate the gap measure or the indicator is not applicable based on grades served.

Connecticut's State Identified Measurable Result (SIMR) for Children with Disabilities

Increase the reading performance of all 3rd grade students with disabilities statewide, as measured by Connecticut's English Language Arts (ELA) Performance Index.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no SIMR data are available. Wallingford School District

Narratives

School District Improvement Plans and Parental Outreach Activities

The Wallingford Public School District is committed to providing the highest quality services for students with special needs. The district continues to be committed to providing programming for all students to meet their needs. Even during the pandemic, the district provided professional development for staff in the area of social and emotional learning to address the needs of our students and families. In addition, there was continued focus on structured literacy training, through Literacy HOW, for elementary staff. The district is also providing training for staff in the area of Universal Design for Learning. Administrators and teacher leaders across the district have participated in sessions helping prepare them for future work to be conducted in this area.

As part of all of this work, the Wallingford Public School District continues to implement the special education strategic plan that directly aligns to the IDEA grant for the district. This plan provides ample opportunity for constituent feedback and ongoing review and revision. To address truancy, the Wallingford Public School District has building-level and district-level attendance committees that address student truancy. These committees consist of teachers, administrators, health staff, and other resources depending on the specifics of the child and his/her case.

The district also continues to provide McKinney Vento training for staff, and the district is implementing a variety of programming to ensure identification of all families in need. From the installation of washers and dryers in three schools as a pilot, to the plan for food pantries in all schools this fall, the district is taking a proactive approach in addressing its changing demographics. The district is also teaming with HUBCAP Wallingford for workforce and career development opportunities for our homeless families.

Wallingford Public School Schools works collaboratively with community resources including but not limited to the Spanish Community of Wallingford (SCOW), Youth and Social Services (YSS), the Boys and Girls Club, and Wallingford YMCA to plan and implement programming for students and families.

Programming with our community partners provides parents information about curriculum, instruction, safety, health and wellness, and future planning. To assist families with childcare for the hybrid model at the middle school, new programming was established in collaboration with both the Boys and Girls Club and Wallingford YMCA.

Building and district Parent Teacher Advisory Committees (PTAC) engage parents on a regular basis with teachers and administration. In addition to the PTACs across the district, parents are engaged in PTO and also the school and district safety committee. Wallingford continues to collaborate with Connecticut parent advisory Center (CPAC) to host and offer sessions for families in our community to provide support. These were extremely well attended and are scheduled to continue this year as well. This year, we are offering a variety of parent resources to help them with their children's education at home. From upgraded single-on technology to workshops and videos for parents to access, parents will be better prepared for the new educational landscape.

Efforts to Reduce Racial, Ethnic and Economic Isolation

The Wallingford Public School District offers students opportunities to participate in state magnet schools. The district offers student access to ACES programming at Wintergreen Magnet School, Thomas Education Magnet School, and Education Center for the Arts (ECA). In addition, Wallingford has students who attend New Haven and Hartford magnet schools.

The district also has exchange students each year from such countries as Germany, Australia, Argentina and Ecuador. The Wallingford Public School District also coordinates student exchanges for its students to Germany, Argentina, Australia, Iceland, and China. These programs have an academic focus and provide students with an opportunity to earn credit towards their capstone requirement and the Connecticut Certification of Global Engagement. The Wallingford Public School District offers English Language (EL) and bilingual programming.

The district also offers parent and student programming through adult education for families new to the United States who may be learning English and seeking citizenship. The district attends all recruitment fairs offered by the state and local universities. In addition, the district hosted an event this spring for recruitment. It is the goal of the district to continue to grow its minority staff in all buildings. By offering college internships and expanding the colleges/universities from which they place student teachers, progress is being made in this area.

The district will continue to offer certified and non-certified staff professional development in the area of racism and racial isolation. This professional development will continue throughout the year and incorporate lessons for students and families. Wallingford Public Schools has a robust Adult Education Program that provides unique connections to many families new to our community and country. Through our three diploma programs, English Learner programming, and Citizenship classes, we provide a good resource for families to successfully, safely, and confidently enter into our local and school community.

Equitable Allocation of Resources among District Schools

Wallingford Public Schools uses many methods to ensure resources are appropriately distributed based on student needs. First, there is a per pupil allocation for instructional materials. Next, based on such indicators as special education, intervention, bilingual and English Language (EL) services needed, staffing is allocated for each school. Student plans are reviewed individually and then appropriately planned and budgeted for annually. To ensure processes are effective, administrators and special services providers meet regularly to review needs and resource allocation. The budget process includes an impact mapping component. Administrators reviewed all school-based staff as related to direct impact on students. Student needs remained at the center of this work resulting in a constant review of equity of resources based on needs. The budget incorporates contingency funding for additional resources found to be needed after the year has started. The Wallingford Public School District budget document includes a thorough analysis of each school and all programs within each building. This individual school data is incorporated into the strategic plan.
