Notes

Unless otherwise noted, all data are for 2022-23 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality. Complete data suppression guidelines are available at <https://tinyurl.com/SuppressionPolicy>

N/A is displayed when a category is not applicable for a district or school.

Performance and Accountability

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

¹ NAEP is often called the "Nation's Report Card." It is sponsored by the U.S. Department of Education. This table compares Connecticut's performance to that of national public school students. Performance standards for state assessments and NAEP are set independently. Therefore, one should not expect performance results to be the same across Smarter Balanced and NAEP. Instead, NAEP results are meant to complement other state assessment data. ³Students demonstrate postsecondary readiness through at least one of the following:

- SAT® - meets benchmark score on SAT, Revised SAT or Connecticut School Day SAT
- ACT® - meets benchmark score on 3 of 4 exams (benchmark score varies by subject)
- AP® - 3 or higher on any one AP® exam
- IB® - 4 or higher on any one IB® exam
- Earning three or more non-remedial college credits cumulatively during high school.

⁴Participation Rate equals the number of test-takers in 11th and 12th grade divided by the number of students enrolled in those grades, as a percentage.

Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

School District Improvement Plans and Parental Outreach Activities

All C.E.S. schools and programs develop comprehensive school improvement plans aligned with the agency's Strategic Plan. At Six to Six Magnet School, the school's School Planning and Management Team (SPMT), which is made up of administration, teachers, paraprofessionals, and parents at Six to Six Magnet School, developed a comprehensive school improvement plan focused on the goal to continuously improve student academic and social emotional/behavioral performance. The staff engaged in professional development on early childhood, writing and mathematics, as well as NGSS instruction. Curriculum development in social studies and a comprehensive review of the Science of reading was used in determining a program to launch for 2023-24. Six to Six effectively utilizes Scientifically Research-based Interventions to meet the needs of students in both literacy and mathematics. We have partnerships in science with The Maritime Aquarium, the Eli Whitney Museum, The Audubon Society, Peabody Museum, and the Goldstone Apple Valley Remote Telescope (NASA). The C.E.S. division of Special Education has expanded the availability of bilingual psychological and psychoeducational evaluation as well as speech services to districts. The division has also expanded transition program options for students ages 18-22 who have both developmental and behavioral needs. The Regional Center for the Arts (RCA) continued to align curriculum with the national standards for the arts.

In regard to truancy, our procedures include daily parent communication regarding unexcused absences, weekly review of student attendance concerns, and family meetings when needed. Truancy efforts also include automated attendance calls which are made daily. Excessive absences result in an administrator/ student/ parent conference and improvement plan.

Family efforts include outreach through electronic means. Parents participate in an annual Open House and regularly attend student performances. Many parents are part of our parent organizations, such as PTSA and Parents of Performing Students. Parent conferences are scheduled twice a year. At Six to Six, through our family center, before and after-school programs, pre-school (for children ages 3 and 4) and health center, the School strives to build strong relationships between home and school and support the needs of working parents and families. Understanding that these bonds have a profound impact on student achievement, we continue to find ways in which these connections can be strengthened. Our early childhood coordinator works with parents on how to help their child at home as well as coordinating the re-accreditation process through the National Association for the Education of Young Children. Six to Six Magnet School parents participate in our Strategic Planning and Management Team (SPMT) which is a site-based leadership team modeled after Yale University's Comer-Zigler process.

Efforts to Reduce Racial, Ethnic and Economic Isolation

As Interdistrict Magnet Schools, Six to Six and RCA epitomize the state's efforts to reduce racial, ethnic and economic isolation. We admit students from a variety of districts with a focus to attain a 50% - 50% urban-suburban balance as well as a minority a€“ non minority balance. Admittance into Six to Six and RCA is entirely through a blind lottery. In 2022-23, Six to Six enrolled 470 students participating in the program from the age of three through 8th grade. Our classrooms held multicultural potluck suppers throughout the year to celebrate student learning. At RCA our enrollment was 170. At RCA students engage in a variety of multicultural performances in theater, dance, and music.

.Our Open Choice students are residents of Bridgeport who we transport to surrounding suburban communities. In 2022-23, Open Choice expanded to include Norwalk. Our students differ from the students in the receiving districts racially, ethnically, economically, or any combination of those factors. Therefore Open Choice reduces isolation for both the students transported and those in the receiving district.

Equitable Allocation of Resources among District Schools

At C.E.S. district resources are allocated based on student enrollment and student need. All Title I funds are allocated to Six to Six Magnet School to implement targeted interventions for students performing below grade level. In our Special Education Programs district tuition is directly tied to the student's Individualized Education Program.
