Notes

Unless otherwise noted, all data are for 2022-23 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality. Complete data suppression guidelines are available at <https://tinyurl.com/SuppressionPolicy>

N/A is displayed when a category is not applicable for a district or school.

Performance and Accountability

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

¹ NAEP is often called the "Nation's Report Card." It is sponsored by the U.S. Department of Education. This table compares Connecticut's performance to that of national public school students. Performance standards for state assessments and NAEP are set independently. Therefore, one should not expect performance results to be the same across Smarter Balanced and NAEP. Instead, NAEP results are meant to complement other state assessment data. ³ Students demonstrate postsecondary readiness through at least one of the following:

- SAT® - meets benchmark score on SAT, Revised SAT or Connecticut School Day SAT
- ACT® - meets benchmark score on 3 of 4 exams (benchmark score varies by subject)
- AP® - 3 or higher on any one AP® exam
- IB® - 4 or higher on any one IB® exam
- Earning three or more non-remedial college credits cumulatively during high school.

⁴ Participation Rate equals the number of test-takers in 11th and 12th grade divided by the number of students enrolled in those grades, as a percentage.

Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

Narratives

School District Improvement Plans and Parental Outreach Activities

MRFES is a Title I school and as such we are committed to communicating regularly with families. We offer an annual Title I meeting open to parents as well as a Title I parent advisory council. MRFES adopted Wonders as a core reading program, and we use the Bridges program for Math. Tools of the Mind, Purposeful Play and the RULER program offer opportunities in social emotional learning. MRFES has instituted Science as part of our Unified Arts rotation and in doing so, have increased consistency with instruction and delivered age-appropriate content as we use Eastbay Collaborative to provide PD and Foss kits to enhance the science curriculum. The School Improvement Team proposes a School Improvement Plan with goals and objectives that in turn support the district Strategic Plan. Our early childhood program continues to be NAEYC accredited. Although COVID limited many activities; parents connect through events, such as, The Early Childhood Fair, PTO meetings, Open House and parent conferences. Reading events include PAWS for Reading, the summer Governor's Reading Challenge, Bedtime Stories and Read Across America. MRFES also offering a summer math challenge. MRFES offers technology devices for all students to increase engagement and opportunity. We also have interactive whiteboards in all grades K-4 to promote exposure to increased resources. TMS supports the district-wide Portrait of a Graduate, which outlines the district's vision for students as they graduate. Curriculum Coordinators worked with subject area staff to continue to formulate a scope and sequence to be utilized by all district staff. To effectively prepare students for the Next Generation Science Standards, TMS continues to partner with East Bay Collaborative using Foss Kits. We have a Life Skills program. This program allows TMS to continue to run a "Best Buddies" and unified sports program, which fosters relationships between disabled and non-disabled peers. This year we implemented an SEL (Social Emotional Learning) curriculum in every classroom to assist with our students' social and emotional needs. Our students create smart goals through the Naviance portal, which allows them to monitor and recognize their growth. The Attendance committee monitors attendance weekly. TEEG and an attendance monitor were hired to assist. TMS and TMHS have partnered with Community Health Resources to provide weekly in-school therapeutic services with mental health professionals. Diversity Club continues to expand through affiliations with neighboring schools, ECC Nation, as well as school-based learning and celebration activities. Tourtellotte Student Leadership Team continues to meet monthly and is an active member of the ECC Diversity Council. School activities and curriculum are developed to be respectful and inclusive of differences in our students' ethnicity, economic status, gender, and lifestyle. TMHS conducts events built around inclusion and educated students on topics to bring students together. TMHS is offering Black and Latino studies.

Efforts to Reduce Racial, Ethnic and Economic Isolation

MRFES partners with TEEG to connect with families who need assistance, and we have resources through YMCA, Scouts, PTO, town library, Recreation, Dental Van, Northeast Early Childhood Collaborative, Mystic Aquarium, and Roseland Cottage. Summer opportunities include End-of-School Year and a Summer Reading Academy. MRFES students use Chromebooks to access education. We have a Parent-Teacher Organization who create multiple fundraisers. Thompson Middle School partnered with the Thompson Business Association for the Weekend Warrior Program providing perishable food for students to take home. School activities are developed to be respectful and inclusive of student differences. TMS continues a school wide behavior support initiative, which includes a leadership committee to plan School Spirit Rallies, Field Day, and Students of the Month. TMS faculty and staff implement restorative practices daily. An attendance committee has been implemented to assist students and families. TMS students attended assemblies on bullying and internet safety from local police. Social Studies teachers celebrate Black History Month with various lessons and activities. Music students performed in Holiday Concerts, Spring Concerts, Little League Opening Day Parade, and Memorial Day Parade. We had our Grade 6 Living Wax Museum of Historical Figures. TMS and TMHS partnered with Community Health Resources to provide weekly in-school therapeutic services for students. We have four therapists and service about forty-five students. Fourteen students participated in a student-led group called ROAR. This group looks to build community and tolerance and looks at what issues are in our school from a student perspective. TMHS's Leadership Team reviews data, academics, climate, discipline, attendance, and accessibility. We also have a Student Success Coordinator, Tourtellotte Student Leadership Team, Student Spirit Association, Peer Tutoring Center, and online platforms. Moving forward, TMHS will focus on creating a stronger school-community bond. Parents are engaged through our School Governance Council, Open House Expo Night, Conferences, Student Success Meetings, and PPTs. Communication consists of PSIS Tyler, email, website, Facebook, Twitter, and monthly newsletters.

Equitable Allocation of Resources among District Schools

The Thompson Board of Education's budgetary process has each cost center discussed in cooperation with the Board of Finance. This process makes the community aware of each of the cost centers, and provides a forum to review budget increases and additional programming. The Thompson Board of Education and Administration work very diligently to decrease operating costs and present the town with a budget that meets the needs of each individual school and program. All schools receive an equitable fixed amount based upon enrollments and prioritized needs. Some needs, such as Early Intervention in Literacy and Numeracy, as well as continued SRBI interventions implemented throughout the district, continue to be a district priority. Resources are also shared among the schools to decrease overhead costs while delivering critical programming. The collaboration between special services and each school to pool resources is a common practice to impact more students. The Title I grant and School Readiness provide additional resources as well as the elementary and middle school PTO, local grant opportunities, and local company donations.
