Notes

Unless otherwise noted, all data are for 2022-23 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality. Complete data suppression guidelines are available at <https://tinyurl.com/SuppressionPolicy>

N/A is displayed when a category is not applicable for a district or school.

Performance and Accountability

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

³Students demonstrate postsecondary readiness through at least one of the following:

- SAT® - meets benchmark score on SAT, Revised SAT or Connecticut School Day SAT
- ACT® - meets benchmark score on 3 of 4 exams (benchmark score varies by subject)
- AP® - 3 or higher on any one AP® exam
- IB® - 4 or higher on any one IB® exam
- Earning three or more non-remedial college credits cumulatively during high school.

⁴Participation Rate equals the number of test-takers in 11th and 12th grade divided by the number of students enrolled in those grades, as a percentage.

Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

Vernon School District

Narratives

School District Improvement Plans and Parental Outreach Activities

Vernon Public Schools believes that the educational programs and services available in the district provide opportunities for the academic, social, and emotional growth of our student population. Our district improvement plan and aligned school improvement plans along with family and community outreach activities highlight our efforts to strengthen student learning outcomes. The District Attendance Team meets weekly to review district data and discuss strategies to support and partner with families. School-based Attendance Teams work collaboratively with families to identify the root cause of absences, problem-solve and identify proactive strategies to support the student. A mentor program has been established at Vernon Center Middle School and Rockville High School to support at-risk students with chronic absenteeism. School staff, including Family Engagement Coordinators, have connected families to community resources such as Cornerstone Foundation, Vernon Social Services, Vernon Youth Services, Hockanum Valley Community Council (HVCC), YMCA, ECHN Family Resource Center, and the Rockville Public Library. The District Equity and Engagement Team focused its professional learning on equity and diversity. These efforts are being implemented to help build equitable practices within the district. Laugh and Learn is a virtual opportunity for caregivers and children ages 1-5 to participate in fun and interactive learning activities. The district provides ongoing parent workshops through Peace at Home through live and recorded webinar sessions. The sessions focus on the social, emotional, and behavioral well-being of children (birth through teen). The Ready Set School Fair is an opportunity for families of children ages 3-5 to learn of resources within the community and students entering kindergarten for the fall of 2023 received an activity bag of learning materials. This event was held in May 2023 at Henry Park. Vernon Center Middle School held team family dinners in September 2022 in place of the traditional open house as an opportunity to connect with families early in the school year. Hopes and Dreams conferences are held in September for school staff and families to connect early in the year to set goals for student success for the year.

Efforts to Reduce Racial, Ethnic and Economic Isolation

Vernon is a diverse community with five elementary schools, one middle school, and one high school. Rockville High School recruits students for Advanced Placement courses, Early College Experience (ECE) courses, and other courses that may garner college credit prior to graduation. All grade 10 and 11 students take the PSAT. A YES team (Youth Empowerment Squad) has been established to provide student voice in addressing the needs of all students within our schools. All students in grades K - 8 engage in the social awareness curriculum which teaches social skills. Students have alternative educational options such as Magnet Schools, Open Choice, and Charter Schools. ESL programs are offered at several schools. Our website provides many family-friendly functions including a translation feature for non-English speaking families. The district also utilizes phone translation and in-person translation services as needed. Vernon has provided extensive professional learning in curriculum writing and implementation ensuring that all students have access to the same rigorous curriculum and resources. Several staff in the district participated in professional opportunities this year to develop a better understanding of diversity and equity. Families have been connected to community resources (Cornerstone Foundation and HVCC) to ensure families have access to food and other basic needs. VPS works closely with town departments to ensure families can access resources such as energy assistance and programming for children.

Equitable Allocation of Resources among District Schools

The Vernon Public School district has a common curriculum guaranteed for every student. All curriculum resources are located on the secure staff portal ensuring equitable access among all classrooms. The elementary principals collaboratively plan their budgets to ensure equity among resources. All initiatives are systemic in Vernon, ensuring that each K - 12 student has access to the same rigorous curriculum. Each student shall be given equitable access to education and student technology resources are available at all schools at all grade levels. Community members have access to any and all communication media, newsletters, periodicals, advisory services, and representation in actions affecting education in general and the public schools in particular. All Schools have a leadership team which provides input to the principal and the building leadership team on the school improvement plan and other initiatives in the school. Schools provide portal access to parents and families for the ASPEN Student Information System and sponsor monthly newsletters to recognize students and families.
