Notes

Unless otherwise noted, all data are for 2023-24 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality. Complete data suppression guidelines are available at <https://tinyurl.com/SuppressionPolicy>

N/A is displayed when a category is not applicable for a district or school.

Performance and Accountability

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

Narratives

School District Improvement Plans and Parental Outreach Activities

The Granby Board of Education (BOE) adopted the Granby Public Schools: Moving Forward Together Strategic Plan 2021-2025 and the Granby Public Schools Vision of a Graduate. Our school district continues to be grounded in the six (6) major goal areas of this plan: Student Learning and Achievement, Community Development, Safety and Social Emotional Well-Being, Budget Development and Fiscal Management, Embracing Diversity, and Professional Learning. All Granby schools have developed data-driven continuous improvement plans to guide efforts around student achievement and instruction. Additionally, the Vision of a Graduate adopted by the BOE states, "All Granby Public School students will become resourceful learners and effective communicators who positively contribute at the local, national and global levels.

Efforts to improve special education services consists of an inclusion model of special education; a brand new Granby B.E.A.R. Transition Academy, a post-secondary transition program for eligible youth aged 18-22 years old with significant special education needs; the recent hiring of a K-2 Early Intervention Specialist, Intervention Tutors, a part-time Social Worker, and additional hours for a Board Certified Behavior Analyst and Wilson Reading Tutor to meet the increasing demands of students requiring an individualized education plan (IEP); a Wilson Reading Program for students with a dyslexia learning disability; a comprehensive K-12 SRBI model for providing interventions; summer programming; an integrated pre-school program; full-day kindergarten; and, the inclusion of a Unified Sports Program at the high school and Kelly Lane Primary School.

Parents are actively engaged in their child's learning and the planning and improvement of school programs through Parent Advisory Councils, Granby Equity Team, School Climate Committees, curricular and hiring committees, focus groups, Superintendent Community Conversations, volunteerism, parent workshops, curriculum nights, conferences, budget workshops, informational events, and an annual climate survey. Annually, parents raise funds to help support the school projects, extracurricular and sports programs. The Board also works collaboratively with the Town Youth Center, Social Services, Police Department, Farmington Valley YMCA, Farmington Valley Health District, Board of Finance, and the Board of Selectmen to address the social, behavioral and safety needs of students.

Use of the local community television station, an interactive website, teacher websites, parent portals such as Google Classroom and PowerSchool, access to online grades, the ability to register, sign up and pay for field trips on-line, the use of blogs, social media, STOP-IT anti-bullying software, weekly eblasts, monthly newsletters, and community forums have all helped to increase school-parent communication.

Efforts to Reduce Racial, Ethnic and Economic Isolation

Granby addresses racial, ethnic and economic isolation through curriculum, district and school improvement plans and opportunities for students to participate in parental choice initiatives. Granby has participated in Open Choice since its inception and has been one of the highest participating districts in the state. There were 11 students at Kelly Lane Primary School; 22 students at Wells Road Intermediate School; and 54 students at Granby Middle and High Schools during 2023-24. Extracurricular activities such as band and chorus are scheduled to ensure participation for Open Choice students. Twenty-seven (27) students attended inter-district and Hartford host magnet schools and 24 high school students attended a half-day technical program at Asnuntuck Community College. The district offers Spanish K-12 and French and Mandarin in Grades 6-12. Teachers and students benefit from participating in a variety of diversity workshops. Other experiences designed to increase students' awareness of diversity include a capstone project in Grades 2, 6, 8 and 12 that helps students to exhibit care and compassion for others and a District Wellness Committee that promotes wellness and healthy food choices. Minority educator recruitment efforts have included attendance at local recruitment fairs. The district is in a partnership with the Partners for Educational Leadership to implement an Anti-Bias/Anti-Racism Action Plan in conjunction with the Granby Equity Team comprised of teachers, administrators, parents, students, community members, and a BOE representative. Additionally, in the 2023-2024 school year Granby once again participated in the Connecticut Teacher Residency Program through CREC where a minority teacher candidate worked with a Granby teacher in a classroom and was hired for the 2024-2025 school year. This was the third year in a row that Granby participated in this program.

Equitable Allocation of Resources among District Schools

The BOE allocates an equitable level of material and financial resources among district schools. A BOE Comparability of Services Policy helps ensure the equity and equivalency of instructional resources allocated to each school. The long-range fiscal plan for large capital projects, small capital expenditures and operating budgets within the Town of Granby, Board of Finance, Board of Selectmen, and BOE often agree on the annual increase for the budget. BOE class size guidelines are used to determine the number of teachers, support personnel, instructional support and instructional supplies for each building. Decisions about new programs and textbooks are made as part of a curriculum review cycle and approved by the BOE. The development of the budget includes an examination of student performance and assessment results, program evaluations, spending per school, state legislation, and accreditation recommendations. A Quality & Diversity Fund supports the district's efforts to reduce racial, ethnic and economic isolation and is used to support the needs of our Choice students, magnet school tuitions and various enrichment activities for all students.
