Notes

Unless otherwise noted, all data are for 2023-24 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality. Complete data suppression guidelines are available at <https://tinyurl.com/SuppressionPolicy>

N/A is displayed when a category is not applicable for a district or school.

Performance and Accountability

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

¹ NAEP is often called the "Nation's Report Card." It is sponsored by the U.S. Department of Education. This table compares Connecticut's performance to that of national public school students. Performance standards for state assessments and NAEP are set independently. Therefore, one should not expect performance results to be the same across Smarter Balanced and NAEP. Instead, NAEP results are meant to complement other state assessment data. To view performance on NAEP by student group, at

Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

Narratives

School District Improvement Plans and Parental Outreach Activities

Unified School District #1 (USD #1) is the legally vested school district within the Connecticut Department of Correction (CT DOC). USD #1 offers educational services to offenders ages 15 and up who are placed into the adult correctional system by the courts. USD #1 does not select its students, nor are students placed into the correctional system for educational purposes. Once placed in CT DOC, students receive education. Offerings include high school diploma program, Adult High School Credit Diploma program, special education & related services, adult basic education classes, GED exam classes and Career & Technical Education programs.

Parental outreach is very important to USD #1. Upon entry, parents/guardians of students who are under 18, receive a phone call and correspondence from the new school which provides a welcome letter, general school information/FAQ and school contacts, Safe School Climate Plan, School -Wide Expectations/PBIS, program opportunities, paths to diploma, and a Parent Survey. We invite and encourage parents of our youth students to attend school meetings including Planning and Placement Team meetings. For those parents who have transportation issues, we encourage their participation by phone or virtually. Additionally, parents and family are invited to attend Parent Orientations/Family Engagement, graduations, Parent-Teacher Conferences, and other events that celebrate student achievements. Every quarter, student report cards are sent home to parents/guardians. USD #1 also utilizes the Connecticut Special Education Data System (CTSEDS). Parents are alerted when documents are finalized in CTSEDS and are able to gain access via the parent portal.

Unified School District #1 is constantly working to improve our school district through progress monitoring, yearly reviews, observation and feedback, and best practices. USD # 1 works collaboratively with other departments within the CT DOC to meet the ever-changing needs of our students including but not limited to mental health, medical, and addiction service needs. USD #1 consistently works to better our practices and understands the value that change and improvement has on the education of our students.

USD#1 is committed to ensuring special education and PSS staff members are provided with the following: valuable resources, time for collaboration, and professional development opportunities. This not only builds staff capacity it creates a sense of cohesion, a common vision and the skills required to deliver high quality services. Professional development has consisted of a 3-Day Wilson Introductory Course, High-Quality CT-SEDS Training (state and in-district), Transition Planning, Comprehensive Evaluation Writing, Amendments/Technical Edits, Progress Monitoring, Executive Functioning, and the administration of the Gray Oral Reading Assessment.

Efforts to Reduce Racial, Ethnic and Economic Isolation

USD #1 students are not placed in the penal system for educational reasons, however, USD #1 does take an active role in working to ensure curriculum, educational offerings, and vocational programming are available to all students regardless of race, ethnicity and/or economics. USD #1 also provides professional development for its staff to learn about racial and ethnic bias, so that staff can overcome unconscious bias and embrace diversity. Culturally Responsive Teaching is addressed through curriculum and lesson planning in our USD#1 District Improvement Plan, and Social Emotional Learning lessons are based in the CASEL competencies to further support our students.

USD#1 has increased recruitment efforts by posting to "Handshake" . The system sends a blast to college students in the Connecticut, Massachusetts, and Rhode Island areas when we have a job opening. Upper USD#1 leadership, in collaboration with Human Resources, held several meetings with colleges in Connecticut and Massachusetts to promote interest in our district. As a new member of the Connecticut Association of Schools, we are also able to advertise openings on their website.

Equitable Allocation of Resources among District Schools

Male offenders ages 15-17 are placed at Manson Youth Institution as this is the identified facility for male offenders under the age of 22. All other male offenders (ages 18-21) are placed at other facilities as assigned. Our female youth offenders are housed at York Correctional Institution, our only identified female facility in the state.

District resources are allocated based on our priority population and the majority of funding is given to our two youth facilities. Grant funding that is received and distributed through SDE is Title I - Neglected & Delinquent, Title II, IDEA, ARP supplemental award, ESSER II Special Education Recovery Activities Grant, ESSER II Bonus Special Populations Recovery Grant, Perkins Grant, and the CT-SEDS Implementation Stipend.
