Notes

Unless otherwise noted, all data are for 2020-21 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality, or to ensure that statistics based on a very small sample size are not interpreted as equally representative as those based on a sufficiently larger sample size.

N/A is displayed when a category is not applicable for a district or school.

Number of students in 2019-20 qualified as truant under state statute: 0

Number of school-based arrests: 0

NOTE: In the 2020-21 school year, students attended school in-person to varying degrees; some learned fully/mostly remotely for the entire school year. Chronic absenteeism calculations are based only on in-person school days.

⁴ A student is chronically absent if they miss ten percent or greater of the total number of days enrolled in the school year for any reason. Pre-Kindergarten students are excluded from this calculation.

⁵ This column displays the count and percentage of students who receive at least one in-school suspension, out-of-school suspension or expulsion.

Performance and Accountability

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no table is shown here. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

National Assessment of Educational Progress (NAEP): Percent At or Above Proficient¹

READING	NAEP 2019		NAEP 2013
	Grade 4	Grade 8	Grade 12
Connecticut	40	41	50
National Public	34	32	36
MATH	Grade 4	Grade 8	Grade 12
Connecticut	45	39	32
National Public	40	33	25

¹ NAEP is often called the "Nation's Report Card." It is sponsored by the U.S. Department of Education. This table compares Connecticut's performance to that of national public school students. Performance standards for state assessments and NAEP are set independently. Therefore, one should not expect performance results to be the same across Smarter Balanced and NAEP. Instead, NAEP results are meant to complement other state assessment data. Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, a modified table is shown below. All indicators that were not calculated for the 2020-21 school year (including overall Accountability Index) have been excluded and columns that referenced points have also been removed to avoid confusion. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

Arts Access		.	60%	50.7%

NOTE: A dot (.) appears in the table above when there are fewer than 20 students in the student group or the indicator is not applicable based on grades served.

Gap Indicators	Non-High Needs Rate ¹	High Needs Rate	Size of Gap	State Gap Mean +1 Stdev ²	Is Gap an Outlier? ²
Graduation Rate Gap	.	.	.	.	.

¹ If the Non-High Needs Rate exceeds the ultimate target (75 for Performance Index and 94% for graduation rate), the ultimate target is used for gap calculations.

² If the size of the gap exceeds the state mean gap plus one standard deviation, the gap is an outlier.

NOTE: A dot (.) appears in the table above when there are fewer than 20 students in at least one of the student groups used to calculate the gap measure or the indicator is not applicable based on grades served.

Connecticut's State Identified Measurable Result (SIMR) for Children with Disabilities

Increase the reading performance of all 3rd grade students with disabilities statewide, as measured by Connecticut's English Language Arts (ELA) Performance Index.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no SIMR data are available. Narratives

School District Improvement Plans and Parental Outreach Activities

To assist in making communication between home and school as easy as possible, every classroom has a phone and all staff members have voicemails and email addresses. Our website is updated weekly to keep all parents informed as well as our community. Our staff and teachers have access to and updated their pages daily in order to keep all students and parents informed on learning activities going on at school. Homework assignments are posted on the teacher's webpage so that parents can work with their child at home. Many teachers also post pictures of classroom activities and special events. We also have offered all parent meetings, PTO meetings and BOE meetings via google meet to keep all parents involved as much as possible during the pandemic.

The principal is available to meet with parents and community members to discuss any concern or celebration. The principal sends out school-wide emails to share information or as reminders for upcoming events. The principal and a teacher also attend every Parent Teacher Organization meeting to work together to provide programming and support to enhance the educational experience for the entire school community.

Our volunteer provides training for parents and citizens without children in the school so that they may be involved with providing a high-quality education for all children. Volunteers have been helping out in our library, assist with major events, and can also provide weekly support for students where needed.

We have many parents that are active on several committees impacting curriculum and school. Parents are informed of school events through the weekly newsletter, emails, and the website. We also notify parents of events, special dates, or general messages through our Blackboard Notification System. This system allows us to send text messages, pre-recorded calls and send out mass email notifications when a situation might present itself. Parents would normally be welcome to join their child for lunch and hopefully this will resume once the pandemic is over.

Efforts to Reduce Racial, Ethnic and Economic Isolation

Efforts to reduce racial, ethnic and economic isolation are addressed by the entire Colebrook Consolidated School Community. The Parent Teacher Organization provides students with cultural enrichment opportunities throughout the year. We have been able to continue assemblies even during the pandemic, by having them outdoors, social distancing and continue masking students and staff. The school's Kindness Club provides the opportunity for the entire student body to assist people in need due to economic conditions. The Kindness Club organizes food drives to benefit the local food pantry and fundraisers to benefit a variety of organizations that support those who are less fortunate. Typically we would provide students with an opportunity to interact with the older members of our community. As each class would travel to the senior center for lunch once a year. The children would then complete an activity with the seniors and enjoy lunch and conversation together. We also would typically enjoy Grandparents' Day each year. Grandparents or senior friends spend the morning in classrooms completing activities with the children. The Senior Center Trip and Grandparents' Day has not been a practice currently due to the pandemic, but we hope to continue this in time. Annually, the Sixth Grade class attends a 5-day program at Nature's Classroom with three other schools from the Northeast. This provides the students the opportunity to interact with students and adults from diverse backgrounds.

Equitable Allocation of Resources among District Schools

We only have one school in the district so this is not an issue.
