Notes

Unless otherwise noted, all data are for 2020-21 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality, or to ensure that statistics based on a very small sample size are not interpreted as equally representative as those based on a sufficiently larger sample size.

N/A is displayed when a category is not applicable for a district or school.

State		19.0		1.4

Number of students in 2019-20 qualified as truant under state statute: 38

Number of school-based arrests: 0

NOTE: In the 2020-21 school year, students attended school in-person to varying degrees; some learned fully/mostly remotely for the entire school year. Chronic absenteeism calculations are based only on in-person school days.

⁴ A student is chronically absent if they miss ten percent or greater of the total number of days enrolled in the school year for any reason. Pre-Kindergarten students are excluded from this calculation.

⁵ This column displays the count and percentage of students who receive at least one in-school suspension, out-of-school suspension or expulsion.

Performance and Accountability

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no table is shown here. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

National Assessment of Educational Progress (NAEP): Percent At or Above Proficient¹

National Public	34	32	36
MATH	Grade 4	Grade 8	Grade 12
Connecticut	45	39	32
National Public	40	33	25

¹ NAEP is often called the "Nation's Report Card." It is sponsored by the U.S. Department of Education. This table compares Connecticut's performance to that of national public school students. Performance standards for state assessments and NAEP are set independently. Therefore, one should not expect performance results to be the same across Smarter Balanced and NAEP. Instead, NAEP results are meant to complement other state assessment data. Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, a modified table is shown below. All indicators that were not calculated for the 2020-21 school year (including overall Accountability Index) have been excluded and columns that referenced points have also been removed to avoid confusion. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

Indicator		Index/Rate	Target	State Average Index/Rate
Chronic Absenteeism	All Students	5.8%	<=5%	19.0%

Graduation Rate Gap	94.0%	94.7%	-0.7%	9.8%	N

¹ If the Non-High Needs Rate exceeds the ultimate target (75 for Performance Index and 94% for graduation rate), the ultimate target is used for gap calculations.

² If the size of the gap exceeds the state mean gap plus one standard deviation, the gap is an outlier.

NOTE: A dot (.) appears in the table above when there are fewer than 20 students in at least one of the student groups used to calculate the gap measure or the indicator is not applicable based on grades served.

Connecticut's State Identified Measurable Result (SIMR) for Children with Disabilities

Increase the reading performance of all 3rd grade students with disabilities statewide, as measured by Connecticut's English Language Arts (ELA) Performance Index.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no SIMR data are available. Narratives

School District Improvement Plans and Parental Outreach Activities

The Cromwell Public Schools focus is to prepare each one of our students to be successful members of a global community with the requisite 21st century skills that will build success for both college and career. Our mission is to prepare our students for their future. Cromwell Public Schools utilizes Professional Learning Communities where data is reviewed, common assessments are coordinated, and the development of student responsive curriculum and instructional practices to support all learners. In Cromwell, "Placing Students First" is much more than our motto. At Cromwell High School (CHS) our students are exposed to a variety of courses, including 18 Advanced Placement, 6 UCONN Early College Experience courses, as well as courses utilizing Virtual High School and Edgenuity. Eighty-four percent of the class of 2020 were accepted to two and four year colleges. Sixty-four percent of students attend 4 year colleges, 3% to career education, 7% to employment and 2% to the Transitional Academy. Teachers strive to differentiate instruction for all students and our schools continue to implement the Positive Behavior Support and Response to Intervention Teams. These teams work to align student academic, behavioral, and social interventions which include tutoring, mentoring, attendance, and Mathematics and Reading intervention support as well as Academic Support sections. Cromwell Middle School (CMS) supports students through a team-based teaching model that offers students individualized instructional plans. Each of the grades is separated into two teams and offers individualized help through a focus period. Additionally, both CHS and CMS offer students the option to participate in credit recovery programs to support overall achievement and completion of curriculum. The middle and high schools work collaboratively with Family with Service Needs Teams to support families by addressing school attendance and other issues. This year, CMS has partnered with Cromwell Youth Services to provide discussion groups for students to participate within the school day. Teachers continue to review curriculum to align with Connecticut Core Standards. Through the SRBI process the middle and high schools work collaboratively to support families by addressing school attendance and other issues. At Edna C. Stevens Elementary School (ECS), (our PreK-2 school) and at Woodside Intermediate School (WIS), (grades 3-5) our administrators and staff work collaboratively with a variety of community service providers inclusive of the Cromwell Youth Services to support families who are experiencing attendance and other issues. WIS and ECS have scheduled intervention blocks which provide opportunities for students to receive additional support in math, reading, and writing, and enrichment. Our teachers continue to review, modify and develop curriculum to align with the Connecticut Core Standards and the Next Generation of Science Standards. Readers and Writers workshop units have been implemented as well as the use of the I-Ready blended learning program and data derived from these programs support instructional interventions for students. Bridges math curriculum was implemented at both ECS and WIS and I-Ready is used to support personalized learning in math as well.

Efforts to Reduce Racial, Ethnic and Economic Isolation

The Cromwell Public Schools Leadership Team continues conversations designed to provide all students with relevant, engaging, and diverse educational experiences. Faculty have implemented a number of programs to support students throughout the district including Learning Centers, after school homework support centers, and morning check-in programs. The district has secured the services of a consultant for continued cultural diversity professional development. Cromwell Public Schools has utilized several organizations to help support professional development around equity issues including Cromwell Youth Services, David Cormier, CREC, Human Rights Campaign and SERC. There is a District Equity Committee as well as a CHS Equity Committee that has participated in book clubs and created a District Equity Statement. Building Cultural Competence has become a goal for all staff, students and parents throughout the Cromwell community. This initiative has involved professional development for staff, establishing student leadership opportunities and offering families opportunity to engage in dialogue about our schools and our students. During the 2019-2020 School Year, Cromwell High School partnered with CREC and their Diversity and Inclusion Coordinator to facilitate professional development where a group of staff were trained on how to have proactive and productive discussions in their classrooms about racism, ethnic and cultural differences, turning these situations into learning opportunities. Students have been provided the opportunity to participate in a Dialogue Series, creating action plans to address any issues that may occur during the school year. The Parent Teacher Organization hosts an annual Cultural Fair through which students and families share their cultural heritage. The Cromwell High School Unity Club attends the Connecticut Forum and engages in many other activities focused on building understanding and appreciation of diversity. Our Gay-Straight Alliance at Cromwell High School has actively worked to raise awareness and promote understanding. Workshops have been provided for teachers centered around gender identity. Cromwell Public Schools strives to provide a safe space for learning for all students.

Equitable Allocation of Resources among District Schools

The Cromwell Board of Education continues to establish policies and procedures to ensure that each school in the district has comparable, equitable resources within their budget to address student needs and initiatives. Staff members participate in the budget process by identifying needs and prioritizing these needs with building and department administrators. Members of the District Leadership Team meet to review the entire district budget which is then presented to the Board of Education. The Board of Education budget is developed in accordance with the Strategic Framework that outlines the district vision.
