Notes

Unless otherwise noted, all data are for 2021-22 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality. Complete data suppression guidelines are available at <https://tinyurl.com/SuppressionPolicy>

N/A is displayed when a category is not applicable for a district or school.

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

Narratives

School District Improvement Plans and Parental Outreach Activities

MRFES is a Title I school and we are committed to communicating regularly with families. We offer annual Title I meetings open to parents. MRFES adopted Wonders for reading use the Bridges program for Math. Tools of the Mind, Purposeful Play and the RULER program offer opportunities in social emotional learning. In science, we employed Eastbay Collaborative to provide PD and Foss kits to enhance the curriculum. The School Improvement Team proposes a School Improvement Plan with goals and objectives that in turn support the district Strategic Plan. Our early childhood program continues to be NAEYC accredited. Although COVID limited many activities; parents connect through events, such as, The Early Childhood Fair, PTO meetings, Open House and parent conferences. Reading events include PAWS for Reading, the summer Governor's Reading Challenge, Bedtime Stories and Read Across America. MRFES also offering a summer math challenge. MRFES offers technology devices for all students to increase engagement and opportunity. We also have interactive whiteboards in all grades K-4 to promote exposure to increased resources. Thompson Middle School supports the district-wide Portrait of a Graduate which outlines the district's vision for students as they move on to graduation and beyond. Curriculum Coordinators worked with subject area staff to formulate a scope and sequence to be utilized by all district staff. Intersession this school year was designed to provide enrichment programs and remediation for students. TMS continues to partner with East Bay Collaborative utilizing Foss Kits. We have a Life Skills program and a therapeutic classroom for behaviorally challenged students. These programs utilized a "Best Buddies" and unified sports program which fostered relationships between disabled and non-disabled peers. An after-school tutoring program was developed. The focus in middle school was on literacy, math, and science. Students were recommended by teacher referrals of struggling students who need reinforcement and would be in danger of retention, which 77 students needed. Teachers also recommended students who had more than 14 absences. 95% of those students are passing. 91% of students improved their scores in our progress monitoring testing NWEA in at least one area by reinforcing skills through tutoring. Tourtellotte Memorial High School's Leadership Team reviews data, including Next Generation Accountability, academics, climate, discipline, attendance, and accessibility. Factors that significantly impact our school's success are our Student Success Coordinator, Tourtellotte Student Leadership Team, Student Spirit Association, our Peer Tutoring Center, and our use of online platforms. In the 2022-2023 school year, Tourtellotte Memorial High School will focus all half days on creating a stronger school-community bond. Students will participate in activities of a civic nature as well as activities that allow them to take pride in their community and give back. Parents are engaged through our School Governance Council, and encouraged to attend Open House/Expo Night, Parent-Teacher Conferences, Student Success Meetings, and PPTs. Communication consists of Plus Portal, One Call Now, email, web and Facebook, Twitter, and monthly newsletters from the school departments. The staff is currently conducting a book study reading *Motivate the Unmotivated*.

Efforts to Reduce Racial, Ethnic and Economic Isolation

MRFES has established a partnership with TEEG for truancy. We invite community members to set up information tables that include TEEG, YMCA, Boy Scouts, Girl Scouts, PTO, Thompson Library, Thompson Recreation, Dental van and the NECC. Mystic Aquarium has presented on marine biology and on-site historical programs at Roseland Cottage. Opportunities in the summer include ESY and Summer Learning Academy. MRFES students Chromebooks to access education all the time. MRFES participated in the Vision to Learn Program, free of charge to students and families. Thompson Middle School partnered with the Thompson Business Association for the Weekend Warrior Program. This program provides food for students to take home. We have a refocus room where students can take a break and get themselves back on track. School activities and curricula are developed to be respectful and inclusive of differences in our students' ethnicity, economic status, gender, and lifestyle. We have implemented a school wide PBIS initiative, which includes a leadership committee who plans pep rallies, Field Day, and Student of the Month. Our PBIS has been successful in the message of our Tiger Pride point system. TMS students also has assemblies on bullying and internet safety. Social Studies teachers celebrate Black History Month. Our music students performed at the Holiday Concert, Spring Concert, Little League Opening Day, and the Memorial Day Parade. TMS also hosted an annual showcase night for parents and the community with a Grade 6 Living Wax Museum of Historical Figures. TMS and TMHS have partnered with Community Health Resources to provide weekly in-school therapeutic services with mental health professionals. Diversity Club continues to expand through affiliations with neighboring schools, ECC Nation, as well as school-based learning and celebration activities. Tourtellotte Student Leadership Team continues to meet monthly and is an active member of the ECC Diversity Council. School activities and curriculum are developed to be respectful and inclusive of differences in our students' ethnicity, economic status, gender, and lifestyle. TMHS conducts events built around inclusion and educated students on topics to bring students together. TMHS is offering Black and Latino studies.

Equitable Allocation of Resources among District Schools

The Thompson Board of Education's budgetary process has each cost center discussed in cooperation with the Board of Finance. This process makes the community aware of each of the cost centers, and provides a forum to review budget increases and additional programming. The Thompson Board of Education and Administration work very diligently to decrease operating costs and present the town with a budget that meets the needs of each individual school and program. All schools receive an equitable fixed amount based upon enrollments and prioritized needs. Some needs, such as Early Intervention in Literacy and Numeracy, as well as continued SRBI interventions implemented throughout the district, continue to be a district priority. Resources are also shared among the schools to decrease overhead costs while delivering critical programming. The collaboration between special services and each school to pool resources is a common practice to impact more students. The Title I grant and School Readiness provide additional resources as well as the elementary PTO, local grant opportunities, and local company donations.
