Notes

Unless otherwise noted, all data are for 2023-24 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality. Complete data suppression guidelines are available at <https://tinyurl.com/SuppressionPolicy>

N/A is displayed when a category is not applicable for a district or school.

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

¹ NAEP is often called the "Nation's Report Card." It is sponsored by the U.S. Department of Education. This table compares Connecticut's performance to that of national public school students. Performance standards for state assessments and NAEP are set independently. Therefore, one should not expect performance results to be the same across Smarter Balanced and NAEP. Instead, NAEP results are meant to complement other state assessment data. Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

Narratives

School District Improvement Plans and Parental Outreach Activities

Tourtellotte Memorial High School's Leadership Team reviews data, including Next Generation Accountability, academics, climate, discipline, attendance, and accessibility. Factors that have significantly impacted our school's success are our Student Success Coordinator, Tourtellotte Student Leadership Team, Student Spirit Association, our Peer Tutoring Center, and our use of online platforms. TMHS has expanded career pathways opportunities for students including Certified Nursing Assistant, Culinary, Welding, Fire Safety, and much more. Parents are engaged through our School Governance Council, and encouraged to attend Open House/Expo Night, Parent-Teacher Conferences, Student Success Meetings, and PPTs. Communication consists of Plus Portal, One Call Now, email, web and Facebook, Twitter, and monthly newsletters. TMS supports the district-wide Portrait of a Graduate, which outlines the district's vision for students as they graduate. Curriculum Coordinators worked with subject area staff to continue to formulate a scope and sequence to be utilized by all district staff. To effectively prepare students for the Next Generation Science Standards, TMS continues to partner with East Bay Collaborative using Foss Kits. TMS has had many parental outreach opportunities including sessions on social media and vaping along with human trafficking during Open House and parent teacher conferences. We have a Life Skills program. This program allows TMS to continue to run a "Best Buddies" and unified sports program, which fosters relationships between disabled and non-disabled peers. This year we implemented an Social Emotional Learning curriculum in every classroom to assist with our students' social and emotional needs. Our students create smart goals through the Naviance portal, which allows them to monitor and recognize their growth. The Attendance committee monitors attendance weekly. TEEG and an attendance monitor were hired to assist. MRFES is a Title I school and are committed to communicating regularly with families. This year, our Title I meeting was combined with the Art Show to form our first annual FisherFEST – a night of literacy and art! MRFES adopted Wonders as a core reading program and we use the Bridges program for Math. Tools of the Mind, Purposeful Play and the RULER program offer opportunities in social emotional learning. MRFES has instituted Science as part of our Unified Arts rotation and in doing so, have increased consistency with instruction and delivered age-appropriate content We use Eastbay Collaborative to provide PD and Foss kits to enhance the science curriculum. The School Improvement Team proposes a School Improvement Plan with goals and objectives that support the district Strategic Plan. Our early childhood program continues to be NAEYC accredited. Parents connect through events, such as, The Early Childhood Fair, PTO meetings, Open House and parent conferences, FisherFEST and Field Day. Reading events include: the summer Governor's Reading Challenge, Bedtime Stories and Read Across America. MRFES also offered a yearlong math intervention lab for students as well as a summer math challenge. MRFES offers technology devices for all students to increase engagement and opportunity. We also have interactive whiteboards in all grades K-4 to promote exposure to increased resources.

Efforts to Reduce Racial, Ethnic and Economic Isolation

TMS and TMHS partnered with Community Health Resources to provide weekly therapeutic services with mental health professionals. Diversity Club continues to expand with neighboring schools. Student Leadership Teams meet and is a member of the ECC Diversity Council. School activities and curriculum are developed to be respectful and inclusive of differences in our students' ethnicity, economic status, gender, and lifestyle. TMHS offers Black and Latino studies. TMS partnered with the Thompson Business Association for the Weekend Warrior Program providing perishable food for students to take home. TMS continues a Positive Behavioral Interventions and Supports initiative, which includes a leadership committee who plan all events, such as rallies, Field Day, and Students of the Month. Our Positive Behavior Intervention System has been successful in the message of our Tiger Pride. An attendance committee has been implemented with support from TEEG. Students attended assemblies on bullying and internet safety with guest speakers. Social Studies teachers celebrate Black History Month. Music students performed in concerts, Little League Parade, and Memorial Day Parade. Grade 6 Living Wax Museum of Historical Figures was highlighted. 14 students participated in a student-led group identified as ROAR, who looks to build community and tolerance and what issues are in our school. MRFES established a partnership with TEEG to connect with families by making home visits for students not attending school. We invite community members to set up information tables at school events. Mystic Aquarium presented to students on marine biology and on-site historical programs have taken place at Roseland Cottage. The summer includes ESY and a new Summer Reading Academy. MRFES has a Parent-Teacher Organization responsible for creating multiple fundraisers to assist teachers with field trips, raising money for school playground equipment and much more. TPS received grant applications that provided students the opportunity to expand their knowledge of world culture to meet with the Mohegan Tribe and celebrated Chinese New Year to provide students with an introduction to culture.

Equitable Allocation of Resources among District Schools

Thompson Public Schools implements a zero-based budgetary process to develop a spending plan to present to the BOE members. Administrators review each school plan with principals to determine if the budgetary requests align with the Portrait of a Graduate. Equitable allocation of funding may be cyclical and across several funding sessions. Principals present their budgets to the members of the BOE. The needs of each school are discussed before the BOE recommends a final budget to the members of the Board of Finance. The BOE budget is finalized by the BOF to be sent to the voters in town. If the budget fails to pass and reductions are necessary, it is up to the superintendent of schools to make equitable decisions regarding funding and resource allocation across all three schools, and will also determine how state and federal grants and other alternate funding sources are distributed equitably among all schools. The unique structure of TPS with all schools connected on one campus lends itself to sharing resources to help reduce overhead costs while maintaining an even allocation of resources across the grade levels.
