Notes

Unless otherwise noted, all data are for 2022-23 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality. Complete data suppression guidelines are available at <https://tinyurl.com/SuppressionPolicy>

N/A is displayed when a category is not applicable for a district or school.

Performance and Accountability

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

¹ NAEP is often called the "Nation's Report Card." It is sponsored by the U.S. Department of Education. This table compares Connecticut's performance to that of national public school students. Performance standards for state assessments and NAEP are set independently. Therefore, one should not expect performance results to be the same across Smarter Balanced and NAEP. Instead, NAEP results are meant to complement other state assessment data. To view performance on NAEP by student group, at

³ Students demonstrate postsecondary readiness through at least one of the following:

- SAT® - meets benchmark score on SAT, Revised SAT or Connecticut School Day SAT
- ACT® - meets benchmark score on 3 of 4 exams (benchmark score varies by subject)
- AP® - 3 or higher on any one AP® exam
- IB® - 4 or higher on any one IB® exam
- Earning three or more non-remedial college credits cumulatively during high school.

⁴ Participation Rate equals the number of test-takers in 11th and 12th grade divided by the number of students enrolled in those grades, as a percentage.

Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

Narratives

School District Improvement Plans and Parental Outreach Activities

Unified School District #1 (USD #1) is the legally vested school district within the Connecticut Department of Correction (CT DOC). USD #1 offers educational services to offenders ages 15 and up who are placed into the adult correctional system by the courts. USD #1 does not select its students, nor are students placed into this program for educational purposes. Offerings include high school diploma program, special education & related services, adult basic education classes, GED exam classes and Career & Technical Education programs.

Parental outreach is very important to USD #1. Upon entry, the under 18 parents/guardians, receive a phone call and correspondence from the new school which provides a welcome letter, general school information/FAQ and school contacts, Safe School Climate Plan, School -Wide Expectations/PBIS, program opportunities, paths to diploma, and a Parent Survey. We invite and encourage parents of our youth students to attend school meetings including Planning and Placement Team meetings. For those parents who have transportation issues, we encourage their participation by phone or virtually. Additionally, parents and family are invited to attend Parent Orientations, graduations, and other events that celebrate student achievements. Every quarter, student report cards are sent home to parents/guardians.

Unified School District #1 is constantly working to improve our school district through progress monitoring, yearly reviews, observation and feedback, and best practices. USD # 1 works collaboratively with other departments within the CT DOC to meet the ever-changing needs of our students including but not limited to mental health, medical, and addiction service needs. USD #1 consistently works to improve our practices and district and understands the value of change and improvement on the education of our students.

USD#1 is committed to ensuring special education and pss staff members are provided with resources, and relevant training/professional development opportunities; this empowers our staff to utilize best practices to deliver special education and related services to our identified population. Professional development and training has consisted of a 3-day Wilson Introductory course, continuous training in the implementation of CT-SEDS, and transition planning. Additionally, the allotment of funding has provided up-to date resources and assessment tools for meaningful, and data driven decision making during PPT meetings.

Efforts to Reduce Racial, Ethnic and Economic Isolation

As USD #1 students are not placed for educational reasons, we do not have a direct impact on the efforts to reduce the racial, ethnic, or economic isolation of offenders coming into CT DOC; however, USD #1 does take an active role in working to ensure that curriculum, educational offerings, and vocational programming is available to all students regardless of race, ethnicity and/or economics. USD #1 also provides professional development for its staff to teach about racial and ethnic bias so that staff can overcome unconscious bias and embrace diversity.

Equitable Allocation of Resources among District Schools

Male offenders ages 15-17 are placed at Manson Youth Institution as this is the identified facility for male offenders under the age of 22 years old. All other male offenders (ages 18-21) are placed at other facilities as assigned. Our female youth offenders are housed at York Correctional Institution as this is our only identified female facility in the state.

District resources are allocated based on our priority population and the majority of funding is given to our two youth facilities. Grant funding that is received and distributed through SDE is Title I - Neglected & Delinquent, Title II, IDEA, ARP supplemental award, ESSER II Special Education Recovery Activities Grant, ESSER II Bonus Special Populations Recovery Grant, and the CT-SEDS Implementation Stipend.
