Notes

Unless otherwise noted, all data are for 2023-24 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality. Complete data suppression guidelines are available at <https://tinyurl.com/SuppressionPolicy>

N/A is displayed when a category is not applicable for a district or school.

Performance and Accountability

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

Windham School District

Narratives

School District Improvement Plans and Parental Outreach Activities

During 2023-24, Windham Public Schools continued to improve and enhance its special education programming and services for students with disabilities. The department continued to implement MTSS which includes Tier 2 and Tier 3 intervention resources to support sustained and increased student achievement. Windham continued to run its alternative education program officially renamed Phoenix Academy for students in grades 9-12. In the summer of 2023, summer learning was again open to all Windham Public Schools families for grades K-8 continued with 600 students participating. This was done in addition to credit recovery and grade 9 orientation.

The Department of Family and Community Partnerships worked closely with building and district leadership in preventing and minimizing truancy and chronic absenteeism and improving engagement with the schools. Family liaisons, teachers, building leadership, and support staff collaborated to ensure students and families had what they needed to participate in the educational process. Family liaisons conduct home visits to reach families to improve engagement. Additionally, the district continued its participation in the LEAP Grant which included professional development opportunities for our staff including district and school leaders. These opportunities were focused on engagement and the school-home connection.

All schools continued their School Governance Councils. Additionally, the department held in-person workshops for families including topics such as social and emotional learning, internet safety, special education. The district continued its Superintendent Parent Advisory Committee that met monthly where parents and staff worked collaboratively to discuss issues.

Efforts to Reduce Racial, Ethnic and Economic Isolation

Windham Public Schools is committed to reducing racial, ethnic, and economic isolation by recognizing diversity as a strength. During 2023-24, the district provided opportunities for staff, parents, and students to participate in activities within each school community to support these efforts.

The district has a two-way dual language program (Compañeros; 50% English speakers, 50% Spanish speakers) at three schools spanning grades PK-8 and a one-way dual language program (Dos Ríos; 100% English Learners) at four schools spanning grades K-5. Both programs have the ultimate goals of bilingualism, biliteracy, and socio-cultural competence. About 750 students in total were in Windham's Dual Language Education programs in 2023-24.

Windham is invested in the ongoing recruitment of school personnel, who reflect the racial, ethnic, and linguistic diversity of our students, and continued to implement several recruiting and hiring strategies in this pursuit. As part of the district's efforts to staff its many dual language classrooms, we continue to support current staff in their pursuit of elementary endorsements and bilingual cross-endorsements. Additionally, the district recruits and hires visiting international teachers. In 2023-24, the district had 18 visiting teachers from Spain, Chile, and Colombia.

The district has also continued its Diversity, Equity, & Inclusion work through the participation of numerous, certified and non-certified, PK-12 staff in Courageous Conversation's in Racial Equity Development (LEADS) trainings with the goals of reducing and eliminating racial disparities in student outcomes.

Equitable Allocation of Resources among District Schools

The 2023-24 budget was \$50,349,710 which was an increase of 2.575% over the prior year's budget. Grant funding and Education Cost Sharing Funds support a significant portion of the total Board of Education budget. Through the Alliance School Grant and Priority School Grant, the district was able to support many academic initiatives in the schools. ESSER funding was utilized by the district to support costs related to the continuing impact of COVID-19 had on the school system. Building and district leaders analyzed data and collaborate to determine the needs and equitable allocation of resources. Priority was given to closing the opportunity and access gap that widened during the pandemic.
