Notes

Unless otherwise noted, all data are for 2020-21 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality, or to ensure that statistics based on a very small sample size are not interpreted as equally representative as those based on a sufficiently larger sample size.

N/A is displayed when a category is not applicable for a district or school.

NOTE: To protect student privacy, gender counts are suppressed (*) when fewer than 6 students enrolled in the district identify as non-binary.

² This table represents students in grades PK-12 reported by the district in the Public School Information System (i.e., PSIS Reporting District).

³ Students in this category are students with an individualized education program (IEP) only. This category does not include students with Section 504 plans or services plans.

Number of students in 2019-20 qualified as truant under state statute: 15

Number of school-based arrests: 0

NOTE: In the 2020-21 school year, students attended school in-person to varying degrees; some learned fully/mostly remotely for the entire school year. Chronic absenteeism calculations are based only on in-person school days.

⁴ A student is chronically absent if they miss ten percent or greater of the total number of days enrolled in the school year for any reason. Pre-Kindergarten students are excluded from this calculation.

⁵ This column displays the count and percentage of students who receive at least one in-school suspension, out-of-school suspension or expulsion.

Performance and Accountability

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no table is shown here. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

National Assessment of Educational Progress (NAEP): Percent At or Above Proficient¹

National Public	34	32	36
MATH	Grade 4	Grade 8	Grade 12
Connecticut	45	39	32
National Public	40	33	25

¹ NAEP is often called the "Nation's Report Card." It is sponsored by the U.S. Department of Education. This table compares Connecticut's performance to that of national public school students. Performance standards for state assessments and NAEP are set independently. Therefore, one should not expect performance results to be the same across Smarter Balanced and NAEP. Instead, NAEP results are meant to complement other state assessment data. ³ College readiness exams and benchmark scores are as follows:

- SAT® - meets benchmark score on SAT, Revised SAT or Connecticut School Day SAT
- ACT® - meets benchmark score on 3 of 4 exams (benchmark score varies by subject)
- AP® - 3 or higher on any one AP® exam
- IB® - 4 or higher on any one IB® exam

⁴ Participation Rate equals the number of test-takers in 11th and 12th grade divided by the number of students enrolled in those grades, as a percentage.

Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, a modified table is shown below. All indicators that were not calculated for the 2020-21 school year (including overall Accountability Index) have been excluded and columns that referenced points have also been removed to avoid confusion. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

¹ If the Non-High Needs Rate exceeds the ultimate target (75 for Performance Index and 94% for graduation rate), the ultimate target is used for gap calculations.

² If the size of the gap exceeds the state mean gap plus one standard deviation, the gap is an outlier.

NOTE: A dot (.) appears in the table above when there are fewer than 20 students in at least one of the student groups used to calculate the gap measure or the indicator is not applicable based on grades served.

Connecticut's State Identified Measurable Result (SIMR) for Children with Disabilities

Increase the reading performance of all 3rd grade students with disabilities statewide, as measured by Connecticut's English Language Arts (ELA) Performance Index.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no SIMR data are available. Narratives

School District Improvement Plans and Parental Outreach Activities

Parish Hill Middle High School (PHMHS) integrates students with disabilities in the school community to the fullest extent and as appropriate for each individual child. A wide range of services is offered to ensure student needs are met. Services include but are not limited to co-taught general education classes, general education classes with support, and resource room classes. Students requiring specialized supports most often receive services at PHMHS so that students may remain connected to the school community. Students requiring specialized programs are placed as close to home as possible to ensure access to community resources, vocational opportunities, and recreational activities. PHMHS accepts out of district students at a base tuition rate of \$7900 a year, making PHMHS an attractive alternative to districts and families who are seeking a supportive high school to receive an individualized educational experience. PHMHS universally screens all students to determine learning needs and uses data-driven decision-making to monitor student progress, identify student needs, and develop prescriptive programs. ELA, Math, and Enrichment labs service students in need of intervention and advance students who are at or above grade level. Featuring a small school setting with low student-to-teacher ratios and a high graduation rate, PHMHS students find success in post-secondary college and career settings. PHMHS uses a wide variety of strategies to address truancy that include monthly attendance review meetings, peer mentoring, a student council that advises faculty, and an advisory program that pairs small groups of students to an adult thus creating an all-inclusive family-style atmosphere. Students, parents and guardians are contacted regularly before truancy becomes an issue requiring formal attendance letters to be sent home. Meetings with parents and guardians, the student, counselors, administration and support personnel are scheduled to resolve early attendance issues. PHMHS also conducts home visits and works with community and state agencies to solicit family supports. PHMHS has a strong all-inclusive Parent-Teacher-Student-Association (PTSA) that engages parents and community members in decision-making opportunities and promotes all that is exceptional about PHMHS. Our PTSA is instrumental in providing feedback on programs and curricular initiatives that meet the most current needs of our students and community. Over the past four years, several staff were awarded various Connecticut Parent Teacher Association awards that include Superintendent, High School Principal, Middle School Principal, Assistant Principal, and High School and Middle School Teachers of the Year in recognition of notable contributions to the school community. PHMHS is most proud to receive countrywide recognition as a National Parent Teacher Association School of Excellence. Since the pandemic, PHMHS staff regularly communicate with parents and guardians through Zoom and Google meetings in lieu of in-person events and meetings in order to meet the diverse needs of parents working from home. Zoom meetings have been conducted for parent/teacher conferences, open house night, PPT and 504 meetings, attendance review meetings, and any other meetings that may not be conducted in person.

Efforts to Reduce Racial, Ethnic and Economic Isolation

Recently, the PHMHS PTSA provided all staff and local community members with free Mental Health First Aid Certification training, courtesy of Hartford Health Care. The NAACP led a whole-school assembly and met with students in individual classes to speak about racism from historical and contemporary perspectives. Representatives from the Hero Center led a whole-school assembly and aired the film Etched in Glass about the life of Steve Ross in honor of International Holocaust Remembrance Day. The school social worker and student leaders led school-wide "Starts with Hello" and "Say Something" movements sponsored by The Sandy Hook Promise organization. Regular assemblies are held for SEL presentations or for highlighting student recognitions. A group of staff and community members convened to form a curriculum review and a disciplinary review committee to incorporate cultural diversity and varied perspectives into all areas of the curriculum including the code of conduct. Students take various World Language courses (Chinese, German, etc.) and other academic courses not offered at school through online virtual distance learning platforms. PHMHS has a strong advisory program featuring weekly grade specific lessons for students centered on topics such as diversity, anti-bullying, respect and responsibility. PHMHS uses The Second Step curriculum for all middle school students through periodic push-in lessons. Extracurricular clubs such as the Diversity Club, Model UN, Peer Mentors, Peer Mediation, and GSA provide an open forum for students to express and experience diversity and equity. PHMHS utilizes an open enrollment policy in an effort to increase student participation in Advanced Placement courses. The school social worker attends cultural competency training to address homeless student needs and rights, and organizes the Adopt-A-Family and Helping Hands initiatives to help feed and clothe those less fortunate in our community. Several students and families have attended cultural trips to Europe and Canada via the World Language Department. Seventh and eighth grade students are eligible to attend the Windham STEM Academy (via lottery) and high school students can attend ACT Magnet High School in Willimantic or Quinebaug Middle College in Danielson.

Equitable Allocation of Resources among District Schools

Parish Hill Middle High School is the only school within Regional School District 11. Regular communication with administration, special education, student services, community members, the PTSA and all departments ensure district resources are allocated in an equitable and consistent manner.
