Notes

Unless otherwise noted, all data are for 2020-21 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality, or to ensure that statistics based on a very small sample size are not interpreted as equally representative as those based on a sufficiently larger sample size.

N/A is displayed when a category is not applicable for a district or school.

NOTE: To protect student privacy, gender counts are suppressed (*) when fewer than 6 students enrolled in the district identify as non-binary.

² This table represents students in grades PK-12 reported by the district in the Public School Information System (i.e., PSIS Reporting District).

³ Students in this category are students with an individualized education program (IEP) only. This category does not include students with Section 504 plans or services plans.

Number of students in 2019-20 qualified as truant under state statute: Fewer than 6

Number of school-based arrests: 0

NOTE: In the 2020-21 school year, students attended school in-person to varying degrees; some learned fully/mostly remotely for the entire school year. Chronic absenteeism calculations are based only on in-person school days.

⁴ A student is chronically absent if they miss ten percent or greater of the total number of days enrolled in the school year for any reason. Pre-Kindergarten students are excluded from this calculation.

⁵ This column displays the count and percentage of students who receive at least one in-school suspension, out-of-school suspension or expulsion.

Performance and Accountability

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no table is shown here. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

National Assessment of Educational Progress (NAEP): Percent At or Above Proficient¹

Connecticut	40	41	50
National Public	34	32	36
MATH	Grade 4	Grade 8	Grade 12
Connecticut	45	39	32
National Public	40	33	25

¹ NAEP is often called the "Nation's Report Card." It is sponsored by the U.S. Department of Education. This table compares Connecticut's performance to that of national public school students. Performance standards for state assessments and NAEP are set independently. Therefore, one should not expect performance results to be the same across Smarter Balanced and NAEP. Instead, NAEP results are meant to complement other state assessment data. Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, a modified table is shown below. All indicators that were not calculated for the 2020-21 school year (including overall Accountability Index) have been excluded and columns that referenced points have also been removed to avoid confusion. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

Graduation Rate Gap	.	.	.	.	.

¹ If the Non-High Needs Rate exceeds the ultimate target (75 for Performance Index and 94% for graduation rate), the ultimate target is used for gap calculations.

² If the size of the gap exceeds the state mean gap plus one standard deviation, the gap is an outlier.

NOTE: A dot (.) appears in the table above when there are fewer than 20 students in at least one of the student groups used to calculate the gap measure or the indicator is not applicable based on grades served.

Connecticut's State Identified Measurable Result (SIMR) for Children with Disabilities

Increase the reading performance of all 3rd grade students with disabilities statewide, as measured by Connecticut's English Language Arts (ELA) Performance Index.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no SIMR data are available. Narratives

School District Improvement Plans and Parental Outreach Activities

The 2020-21 school year has been challenging because of COVID 19; however, IDCS continues to work conscientiously, diligently, and effectively for all of our children and families.

SPECIAL EDUCATION PROGRAMS: IDCS hired a Special Education Coordinator, who has overseen and coordinated the Student Support Team, 504s, and PPTs. The coordinator works closely with the Norwich Public Schools' Special Education Liaison. The communication between IDCS and parents of special needs students is efficient, clear, and timely.

Also, the coordinator leads the school team, which includes 2 full time special education teachers/case managers, a speech pathologist and assistant speech pathologist, the school social worker, and 4 special education paras. This group has been very effective in serving the students and parents of special education students. Two members of this team completed the Orton Gillingham Reading Program. Subsequently, a number of students have benefitted from receiving instruction based on the Orton Gillingham strategies.

TRUANCY: IDCS social worker follows up on any issues of absences. If the issue persists, the IDCS Director follows up with the family. During the 2020-21 school year, IDCS had 4 truant students. There was constant outreach to these families.

ENGAGING FAMILIES: During the 2020-21 school year, the Director was in constant communication with families due to COVID 19. This included the following: when needed- COVID 19 messages (via email, voicemail and school messenger), monthly zoom meetings to update parents; weekly newsletters; teachers' newsletters, student led conferences on zoom; and administrator or teacher contact with parents. The Director will continue to hold quarterly zoom meetings for parents.

Parents completed surveys on COVID 19 once during the school year and parents completed a year end survey. The findings in the survey will influence actions taken in the school to support parent involvement. Also, IDCS will reinstitute parents walking their children to their classrooms every morning. A parent coffee will be held during that time. The IDEA (IDCS PTO) will be reinstituted at the school. All of the activities associated with the IDEA will be held during the 2021-22 school year, such as Bread Feast, Basket Raffle, Book Fair, etc.

For the 2021-22 school year and due to COVID 19's affect on parent involvement, IDCS has hired a Family Engagement Specialist to revitalize the School-Family-Community connections, which is one of our core tenets. The responsibilities will include revising the volunteer handbook and including all areas that parents are expected to participate at IDCS and ensuring that parents have the information to participate, revise the research presentation and deliver it to parents, hold new family orientations with the director, and create outreach strategies to ensure families are welcomed into IDCS.

Efforts to Reduce Racial, Ethnic and Economic Isolation

IDCS is an integrated school due to its lottery system and to the demographics of Norwich. IDCS' demographics include 51% female, 49%; 1% American Indian, 14% Asian, 12% Black, 17% Latinx, 11% two or more races; and 46% White. The students have friendships across various racial groups and socioeconomic status groups. IDCS atmosphere supports these relationships via the lunch - students are assigned to seats across grade levels, all students are assigned a learning buddy at least 2 grades above or 2 grades below; recesses are scheduled for at least 3 classes at one time. IDCS has sponsored boys and girls circles after school to encourage and nurture relationships among students. IDCS has held multicultural evenings for 2 years.

IDCS students have participated and spoken at the Norwich NAACP MLK Jr. Luncheon.

Critical pedagogy is a core tenet at IDCS; IDCS curriculum includes a social justice unit at each grade level. IDCS has celebrated Indigenous People's day for at least 6 years. Reading books are chosen to ensure students read about different races and ethnicities in the US.

For the 2021-22 school year, IDCS' Climate Committee will discuss building teams across the school staff.

IDCS has taken public positions on Black Lives Matter and the Insurrection on January 6 in Washington DC.

Equitable Allocation of Resources among District Schools

Consequently, the equitable allocation of resources occurs because IDCS is a one school system.
