Unless otherwise noted, all data are for 2020-21 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality, or to ensure that statistics based on a very small sample size are not interpreted as equally representative as those based on a sufficiently larger sample size.

N/A is displayed when a category is not applicable for a district or school.

⁴ A student is chronically absent if they miss ten percent or greater of the total number of days enrolled in the school year for any reason. Pre-Kindergarten students are excluded from this calculation.

⁵ This column displays the count and percentage of students who receive at least one in-school suspension, out-of-school suspension or expulsion.

Performance and Accountability

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no table is shown here. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

National Assessment of Educational Progress (NAEP): Percent At or Above Proficient¹

National Public	34	32	36
MATH	Grade 4	Grade 8	Grade 12
Connecticut	45	39	32
National Public	40	33	25

¹ NAEP is often called the "Nation's Report Card." It is sponsored by the U.S. Department of Education. This table compares Connecticut's performance to that of national public school students. Performance standards for state assessments and NAEP are set independently. Therefore, one should not expect performance results to be the same across Smarter Balanced and NAEP. Instead, NAEP results are meant to complement other state assessment data. Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, a modified table is shown below. All indicators that were not calculated for the 2020-21 school year (including overall Accountability Index) have been excluded and columns that referenced points have also been removed to avoid confusion. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

Graduation Rate Gap	94.0%	85.5%	8.5%	9.8%	N

¹ If the Non-High Needs Rate exceeds the ultimate target (75 for Performance Index and 94% for graduation rate), the ultimate target is used for gap calculations.

² If the size of the gap exceeds the state mean gap plus one standard deviation, the gap is an outlier.

NOTE: A dot (.) appears in the table above when there are fewer than 20 students in at least one of the student groups used to calculate the gap measure or the indicator is not applicable based on grades served.

Connecticut's State Identified Measurable Result (SIMR) for Children with Disabilities

Increase the reading performance of all 3rd grade students with disabilities statewide, as measured by Connecticut's English Language Arts (ELA) Performance Index.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no SIMR data are available. Narratives

NFA continued to host several International students from China. While the pandemic impacted their ability to attend in person, they were able to participate virtually.

Chromebooks and wi-fi hotspots were loaned to families in need. Wi-fi access was enhanced outside of our school buildings so students could connect in order to work on assignments. NFA collaborated with Norwich Public Utilities to identify areas in Norwich that would benefit from public hotspots. The special education department researched technology platforms and learning apps that would help to support students with disabilities during our hybrid/remote learning models.

The Wildcat Clothing Loft and Food Pantry are available to any student to support his or her clothing or food needs. Weekend meals were available for pickup by any student.

A New Arrival Center and a three-tiered academic program in major content areas support NFA's non-native speakers in the acquisition of English language and culturalization. Under the direction of the Director of Diversity and the EL Program Coordinator, the EL department is staffed with interventionists who speak multiple languages to assist with linguistic needs in the classroom and with communication between school and home. The World Language Department offers six languages (including American Sign Language), employs native speakers, supports honor societies for students who excel in the study of Spanish and Chinese and offers state seal of bi-literacy certification.

NFA's Diversity Office plans, coordinates and supports cultural activities, programs, volunteer opportunities and field trips to promote awareness and understanding. There are several co-curricular cultural and language clubs as well as an active Ally Group that promotes understanding of and education about our LGBTQ community. An active link with Norwich's NAACP Roberstine Duncan Youth Council promotes leadership and participation in events celebrating diversity and achievement.

The NAACP Youth Council hosted two community forums at NFA to strengthen the relationship between the community and law enforcement. The Youth Council, the NFA Chinese Honor Society and the NFA Asian Cultures Club hosted a forum celebrating Asian American leaders of Connecticut.

Equitable Allocation of Resources among District Schools

NFA is a comprehensive independent high school that has a Master Educational Agreement with the Boards of Education from eight local Partner Communities. To that end, NFA is regarded as a single school district (one high school) that serves students from approximately twenty-one CT communities.
