Notes

Unless otherwise noted, all data are for 2020-21 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality, or to ensure that statistics based on a very small sample size are not interpreted as equally representative as those based on a sufficiently larger sample size.

N/A is displayed when a category is not applicable for a district or school.

Number of students in 2019-20 qualified as truant under state statute: 0

Number of school-based arrests: 0

NOTE: In the 2020-21 school year, students attended school in-person to varying degrees; some learned fully/mostly remotely for the entire school year. Chronic absenteeism calculations are based only on in-person school days.

⁴ A student is chronically absent if they miss ten percent or greater of the total number of days enrolled in the school year for any reason. Pre-Kindergarten students are excluded from this calculation.

⁵ This column displays the count and percentage of students who receive at least one in-school suspension, out-of-school suspension or expulsion.

Performance and Accountability

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no table is shown here. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

National Assessment of Educational Progress (NAEP): Percent At or Above Proficient¹

READING	NAEP 2019		NAEP 2013
	Grade 4	Grade 8	Grade 12
Connecticut	40	41	50
National Public	34	32	36
MATH	Grade 4	Grade 8	Grade 12
Connecticut	45	39	32
National Public	40	33	25

¹ NAEP is often called the "Nation's Report Card." It is sponsored by the U.S. Department of Education. This table compares Connecticut's performance to that of national public school students. Performance standards for state assessments and NAEP are set independently. Therefore, one should not expect performance results to be the same across Smarter Balanced and NAEP. Instead, NAEP results are meant to complement other state assessment data. Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, a modified table is shown below. All indicators that were not calculated for the 2020-21 school year (including overall Accountability Index) have been excluded and columns that referenced points have also been removed to avoid confusion. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

NOTE: A dot (.) appears in the table above when there are fewer than 20 students in the student group or the indicator is not applicable based on grades served.

Gap Indicators	Non-High Needs Rate ¹	High Needs Rate	Size of Gap	State Gap Mean +1 Stdev ²	Is Gap an Outlier? ²
Graduation Rate Gap	.	.	.	.	.

¹ If the Non-High Needs Rate exceeds the ultimate target (75 for Performance Index and 94% for graduation rate), the ultimate target is used for gap calculations.

² If the size of the gap exceeds the state mean gap plus one standard deviation, the gap is an outlier.

NOTE: A dot (.) appears in the table above when there are fewer than 20 students in at least one of the student groups used to calculate the gap measure or the indicator is not applicable based on grades served.

Connecticut's State Identified Measurable Result (SIMR) for Children with Disabilities

Increase the reading performance of all 3rd grade students with disabilities statewide, as measured by Connecticut's English Language Arts (ELA) Performance Index.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no SIMR data are available. Narratives

MINORITY RECRUITMENT. Odyssey Community School is a workplace that emphasizes a genuine interest and concern for all its employees, and strives to build a learning community where everyone's talents are celebrated and valued. We remain committed to hiring high quality staff members who are dedicated to learning and growing together and who demonstrate an interest and concern for others. We also remain committed to hiring a workforce that resembles our student body as a whole. Currently, Odyssey's student body is 60% minority with 14 different languages spoken in our students' homes, while our staff population consists of fewer than 10% minority members. Embracing a significantly more diverse workforce that reflects the racial, ethnic and linguistic diversity of our students, and hiring educators who have inherent connections with our students is paramount to enriching and sustaining our diverse community of learners.

The Capitol Region Education Council (CREC), and several other Hartford area districts have piloted the Connecticut Teacher Residency Program (CTTRP) beginning in 2019, with the prior approval from the Connecticut State Department of Education and the spirited endorsement of then Commissioner (now Secretary of Education), Miguel Cardona. As noted by the CSDE, CTTRP is a unique method of recruiting, training, certifying, and retaining elementary teachers of color, and an application process for its third cohort of teacher residents (60-80 qualified candidates) has begun. Training these residents begins in June of 2021 and continues throughout the 2021-2022 school year including the summers of 2021 and 2022. There are 21 committed districts at this time and Odyssey Community School is the first committed charter school to embrace this initiative for the 2021-2022 school year.

Last year, three of our teachers participated in intensive training on diversity, equity, and inclusion through our regional education consortium (CREC). During 2021-2022 school year, this team of dedicated teachers will work with the entire staff and OCS families to create an Anti-Racism Team dedicated to strengthening equitable learning opportunities for all our students.

Equitable Allocation of Resources among District Schools

As a single local charter school, we work diligently with the Connecticut Charter School Association who support us in our efforts to seek equitable State of Connecticut funding for Odyssey Community School. As a result, we are able to provide quality instructional and technological resources for every teacher, every classroom, and every student. In addition, we have received numerous grant funded projects from The Peter and Carmen Lucia Buck Foundation (PCLB). PCLB supported projects for the 2021-2022 school year include funding for teacher and staff professional learning, a new state of the art playground, and several new program enhancements including the introduction of a world language program and the addition of a second full time school counselor.
