Notes

Unless otherwise noted, all data are for 2020-21 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality, or to ensure that statistics based on a very small sample size are not interpreted as equally representative as those based on a sufficiently larger sample size.

N/A is displayed when a category is not applicable for a district or school.

NOTE: To protect student privacy, gender counts are suppressed (*) when fewer than 6 students enrolled in the district identify as non-binary.

² This table represents students in grades PK-12 reported by the district in the Public School Information System (i.e., PSIS Reporting District).

³ Students in this category are students with an individualized education program (IEP) only. This category does not include students with Section 504 plans or services plans.

Number of students in 2019-20 qualified as truant under state statute: 32

Number of school-based arrests: 0

NOTE: In the 2020-21 school year, students attended school in-person to varying degrees; some learned fully/mostly remotely for the entire school year. Chronic absenteeism calculations are based only on in-person school days.

⁴ A student is chronically absent if they miss ten percent or greater of the total number of days enrolled in the school year for any reason. Pre-Kindergarten students are excluded from this calculation.

⁵ This column displays the count and percentage of students who receive at least one in-school suspension, out-of-school suspension or expulsion.

Performance and Accountability

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no table is shown here. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

National Assessment of Educational Progress (NAEP): Percent At or Above Proficient¹

National Public	34	32	36
MATH	Grade 4	Grade 8	Grade 12
Connecticut	45	39	32
National Public	40	33	25

¹ NAEP is often called the "Nation's Report Card." It is sponsored by the U.S. Department of Education. This table compares Connecticut's performance to that of national public school students. Performance standards for state assessments and NAEP are set independently. Therefore, one should not expect performance results to be the same across Smarter Balanced and NAEP. Instead, NAEP results are meant to complement other state assessment data. ³College readiness exams and benchmark scores are as follows:

- SAT® - meets benchmark score on SAT, Revised SAT or Connecticut School Day SAT
- ACT® - meets benchmark score on 3 of 4 exams (benchmark score varies by subject)
- AP® - 3 or higher on any one AP® exam
- IB® - 4 or higher on any one IB® exam

⁴Participation Rate equals the number of test-takers in 11th and 12th grade divided by the number of students enrolled in those grades, as a percentage.

Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, a modified table is shown below. All indicators that were not calculated for the 2020-21 school year (including overall Accountability Index) have been excluded and columns that referenced points have also been removed to avoid confusion. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

Indicator		Index/Rate	Target	State Average Index/Rate
Chronic Absenteeism	All Students	23.5%	<=5%	19.0%
	High Needs Students	34.9%	<=5%	30.2%

Postsecondary Entrance (Class of 2020)		78.0%	75%	67.4%
Arts Access		63.2%	60%	50.7%

NOTE: A dot (.) appears in the table above when there are fewer than 20 students in the student group or the indicator is not applicable based on grades served.

Gap Indicators	Non-High Needs Rate ¹	High Needs Rate	Size of Gap	State Gap Mean +1 Stdev ²	Is Gap an Outlier? ²
Graduation Rate Gap	94.0%	88.9%	5.1%	9.8%	N

¹ If the Non-High Needs Rate exceeds the ultimate target (75 for Performance Index and 94% for graduation rate), the ultimate target is used for gap calculations.

² If the size of the gap exceeds the state mean gap plus one standard deviation, the gap is an outlier.

NOTE: A dot (.) appears in the table above when there are fewer than 20 students in at least one of the student groups used to calculate the gap measure or the indicator is not applicable based on grades served.

Connecticut's State Identified Measurable Result (SIMR) for Children with Disabilities

Increase the reading performance of all 3rd grade students with disabilities statewide, as measured by Connecticut's English Language Arts (ELA) Performance Index.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no SIMR data are available. Narratives

School District Improvement Plans and Parental Outreach Activities

Teaching and learning have been impacted during the past 18-months. Navigating these impacts requires a strong emphasis on teaching and learning, which includes analyzing data from a variety of sources to measure student learning and progress. The Oxford Public Schools have targeted District and School goals which have been developed around 4 strategic priorities: high impact instructional strategies, meaning student learning outcomes, quality feedback and social emotional learning. Embedded in these priorities includes a strong commitment to community and family engagement.

In addition to four overarching goals, the District has identified ten focus areas to accelerate student learning this year. These focus areas can be found on the District website but include emphasizing student math achievement, improving our SRBI process, developing K-12 formative and summative assessments, improving student and teacher agency and cultivating stronger relationships with students and families.

The recent revision to the District vision and mission statement also streamlined work towards the "Attributes of a Graduate". This work will be completed this year and District coherence around our values and instructional standards include widespread parent involvement. Meanwhile, our schools continue to provide unique experiences which are described below:

Much effort is placed on school unity and parent engagement. Quaker Farms School, our grades K-2 school, continues many in-person events, orientations and parent evenings. Oxford Center School (grades 3-5) continues to utilize "Hawk Talk" as a school-wide publication that facilitates communication from school to home, along with Town meetings. necessary skills to become part of our global society.

Our new Middle School offers Band, Chorus, Drama Club, Walking Club, Sport Teams, Ski Club, School Newspaper, Unified Sports, Enrichment and Student Council. The school newspaper is sent home electronically and through hard copy that includes the calendar of monthly events. The PTO provides opportunities for our two elementary and middle schools.

Oxford High School will continue to utilize google classrooms as well as 1-1 instruction. Academic growth and success will be measured by using data (STAR testing, PSAT testing for freshmen, sophomores and juniors, Attendance and Academic grades) during weekly meetings (Leadership Team, Faculty meetings, SRBI/EIP Teams, and our Student Assistance Team). All schools will continue to use RULER as the SEL curriculum and introduce a SEL screener assessment this year to progress monitor student self-regulation and emotional health.

Efforts to Reduce Racial, Ethnic and Economic Isolation

Oxford's curriculum offers diverse curriculum and perspectives involving a variety of topics and concepts. Quaker Farms implements a variety of school-wide efforts that highlight cultural differences. Activities are integrated into the classroom setting as students celebrate ethnic diversity through curriculum study, guest speakers, interdisciplinary connections, and field trips. Monthly character education assemblies take place to promote a positive school climate while showing respect for others. Each month the focus is placed on a different character trait (i.e. Friendship, Respect, Honesty, Kindness, etc.). Quaker Farms School also participated in a 2-week gratitude campaign called, Look for the Good.

Oxford Center meetings featuring student work, achievements and talents. Many of these events contain a cultural theme such as Black History Month, Dr. Martin Luther King Jr., Explorers, Veterans Day, etc. Social Studies and English Units of Study integrate topics that address race, ethnicity, religion, and economic isolation to expose students to the issues that have existed throughout history and what continues to be done to reduce or eliminate them in the 21st century. Professional Development on the topics of Cultural Competency and Social and Emotional Learning was provided to all teachers.

Oxford Middle School is involved in various programs stressing diversity and incorporates peer mentoring and peer mediation programs that address areas of conflict and create an environment of understanding. Our school climate committees ensure that our climate and classrooms are bully free.

Oxford High Diversity Club-students participate in discussions/activities to become aware of problems this country has faced in regards to race, ethnicity and poverty. The high school conducts The Perspective on Race class; students participate in a workshop on real world economics and they conduct a unit on tolerance during the 1920's and Civil Rights Movement.

Equitable Allocation of Resources among District Schools

All schools participate in the district wide budget process every year. Staff members help create the school based budget by providing input to school administration. The administration presents their budget to the Superintendent and Board. Budgetary items and staffing are discussed with the administration team and with the Board Finance Committee. Over 70 percent of our student body is involved in one or more interscholastic sport or club. The Unified Sports team succeeds annually and serves as a model for other schools in Connecticut. Fine Arts presents concerts and dramatic productions. The operating budget is designed to provide the resources needed to ensure the highest quality education for all students. Our transition program assists students entering the workforce and post-secondary education. The alternative education program, Connections, is in their 7th year.
