Notes

Unless otherwise noted, all data are for 2020-21 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality, or to ensure that statistics based on a very small sample size are not interpreted as equally representative as those based on a sufficiently larger sample size.

N/A is displayed when a category is not applicable for a district or school.

Number of students in 2019-20 qualified as truant under state statute: 0

Number of school-based arrests: 0

NOTE: In the 2020-21 school year, students attended school in-person to varying degrees; some learned fully/mostly remotely for the entire school year. Chronic absenteeism calculations are based only on in-person school days.

⁴ A student is chronically absent if they miss ten percent or greater of the total number of days enrolled in the school year for any reason. Pre-Kindergarten students are excluded from this calculation.

⁵ This column displays the count and percentage of students who receive at least one in-school suspension, out-of-school suspension or expulsion.

Performance and Accountability

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no table is shown here. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

National Assessment of Educational Progress (NAEP): Percent At or Above Proficient¹

READING	NAEP 2019		NAEP 2013
	Grade 4	Grade 8	Grade 12
Connecticut	40	41	50
National Public	34	32	36
MATH	Grade 4	Grade 8	Grade 12
Connecticut	45	39	32
National Public	40	33	25

¹ NAEP is often called the "Nation's Report Card." It is sponsored by the U.S. Department of Education. This table compares Connecticut's performance to that of national public school students. Performance standards for state assessments and NAEP are set independently. Therefore, one should not expect performance results to be the same across Smarter Balanced and NAEP. Instead, NAEP results are meant to complement other state assessment data. ³ College readiness exams and benchmark scores are as follows:

- SAT® - meets benchmark score on SAT, Revised SAT or Connecticut School Day SAT
- ACT® - meets benchmark score on 3 of 4 exams (benchmark score varies by subject)
- AP® - 3 or higher on any one AP® exam
- IB® - 4 or higher on any one IB® exam

⁴ Participation Rate equals the number of test-takers in 11th and 12th grade divided by the number of students enrolled in those grades, as a percentage.

Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, a modified table is shown below. All indicators that were not calculated for the 2020-21 school year (including overall Accountability Index) have been excluded and columns that referenced points have also been removed to avoid confusion. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

Indicator		Index/Rate	Target	State Average Index/Rate
Chronic Absenteeism	All Students	13.0%	<=5%	19.0%
	High Needs Students	19.8%	<=5%	30.2%

NOTE: A dot (.) appears in the table above when there are fewer than 20 students in the student group or the indicator is not applicable based on grades served.

Gap Indicators	Non-High Needs Rate ¹	High Needs Rate	Size of Gap	State Gap Mean +1 Stdev ²	Is Gap an Outlier? ²
Graduation Rate Gap	94.0%	87.5%	6.5%	9.8%	N

¹ If the Non-High Needs Rate exceeds the ultimate target (75 for Performance Index and 94% for graduation rate), the ultimate target is used for gap calculations.

² If the size of the gap exceeds the state mean gap plus one standard deviation, the gap is an outlier.

NOTE: A dot (.) appears in the table above when there are fewer than 20 students in at least one of the student groups used to calculate the gap measure or the indicator is not applicable based on grades served.

Connecticut's State Identified Measurable Result (SIMR) for Children with Disabilities

Increase the reading performance of all 3rd grade students with disabilities statewide, as measured by Connecticut's English Language Arts (ELA) Performance Index.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no SIMR data are available. Narratives

School District Improvement Plans and Parental Outreach Activities

Westbrook Public Schools (WPS) inspires students to succeed by assuring physically, emotionally and intellectually safe climates in which to learn. Teachers in professional learning communities analyze student data and apply instructional strategies that address individual student learning styles. There are short and long term plans to help all students reach their intellectual potential, while emphasizing their physical, emotional and social development needs. High quality teaching and learning is built on 21st century, college and career readiness, and CT Common Core-aligned expectations. Best practices shared among staff are aligned with clearly-delineated vision and expectations and designed to create engaging classroom settings. Students' needs are also met via alternative programming and supportive interventions that include specific transitions from school-to-school, to career and higher education. WPS integrates technology into educational programming and progress monitoring. All schools have instituted Scientific Research-Based Interventions (SRBI) or progress monitoring to provide students with increased levels of academic and developmental support. Special education PLCs have been engaged in professional learning in the area of creating effective and measurable goals and objectives that have increased student independence and advocacy skills. Middle and High School parents are critical stakeholders with 24 hour access to their students' grades & attendance, through the WPS student information system, PowerSchool. Teacher web pages also increase communication between home and school, as well as the District website and individual school websites. District and teacher WebPages and school websites and Facebook pages also serve as resources for updated information. A district improvement goal to sustain and measure positive school climates engages WPS stakeholders. The Board of Education (BOE) continues to apply National School Climate Standards to the work of assuring the quality and character of the school day for all and have written the first-in-the-nation School Climate Policy holding all education stakeholders accountable for school climate. A District SEL and Wellness Committee has been created to promote social, emotional, and physical wellness to promote healthy lifestyle choices for all stakeholders. Active Parent Teacher Organizations support student success. Parent volunteers serve as readers & listeners for elementary students working to improve fluency and comprehension.

Efforts to Reduce Racial, Ethnic and Economic Isolation

WPS Professional Learning Community Leaders and all teachers are trained in EL Strategies by a LEARN consultant to acquire appropriate teaching strategies to maximize teaching and learning for EL students. Translation services are readily available through Language Line and an app called Talking Points that provides "real time" messaging with families. Students (both native and non-native language learners) are encouraged and able to obtain the Seal of Biliteracy recognition at graduation. Staff & students integrate cultural learning activities. WHS has participated in an exchange program with Lycee L'Olivier in Marseille. Our PreK-4 school has breakfast meetings to support the growing population of ELL and to help families make connections. Our website information can be translated into any language necessary. Students have an opportunity to study World Languages. K-4 students study Spanish. WPS employs certified bilingual and TESOL teachers. A foundational goal of the district is focused on maintaining climates of respect. Staff and student partnerships offer programs to expand our thinking. The district sponsors inter-district programs for our MS&HS students to include urban districts. Students attend forums across the state and are frequently invited to present and facilitate learning on topics aligned with positive climate, social, and emotional learning. WHS students have taught lessons on empathy to elementary and middle school students. WHS Teen Leadership students continue to organize and host annual Awareness Days based on student input and interest. Students and staff from Oxford Academy and Woodstock Academy are always invited. WHS students are offered courses in World Cultures, World History, and World Literature focusing on a global understanding of diverse populations relative to race, religion, and ethnicity. Students are exposed to issues that impact the global economy and international relations. Students research history & cultural aspects of countries. Our elementary school hosts Literacy Night for students, families, and staff that a multicultural approach to "Reading Around the World." Texts used in academic areas feature a respect for cultural diversity awareness.

Equitable Allocation of Resources among District Schools

WPS ensures the equity of resources to meet the needs of all students. The Board of Ed is committed to maintaining favorable class sizes and staffing numbers. Grades Pre-K-12 are maintained at levels conducive to a connected and nurturing environment. WPS offers universal preschool with full-day preschool for four-year-olds and three year olds with needs or risks. All students, including those with special needs, benefit from full access to staff and instructional resources. At the middle/high levels, we have a Chromebook one-to-one program. Budget preparation is a fair and equitable process. Teachers and administrators work with the superintendent to develop a budget that meets the needs of Pre-K-12 students, while being sensitive to the ability of the town to fund. The budget is scrutinized in an approval process by the BOE and BOF. The school district actively pursues state/federal grants to supplement the budget. The public is encouraged to provide input at BOE and Town meetings during the development process. Despite statewide economic trends, the Town and school district maintain a meaningful collaboration to meet the students' education needs.
