Notes

Unless otherwise noted, all data are for 2020-21 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality, or to ensure that statistics based on a very small sample size are not interpreted as equally representative as those based on a sufficiently larger sample size.

N/A is displayed when a category is not applicable for a district or school.

Number of students in 2019-20 qualified as truant under state statute: 16

Number of school-based arrests: 0

NOTE: In the 2020-21 school year, students attended school in-person to varying degrees; some learned fully/mostly remotely for the entire school year. Chronic absenteeism calculations are based only on in-person school days.

⁴ A student is chronically absent if they miss ten percent or greater of the total number of days enrolled in the school year for any reason. Pre-Kindergarten students are excluded from this calculation.

⁵ This column displays the count and percentage of students who receive at least one in-school suspension, out-of-school suspension or expulsion.

Performance and Accountability

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no table is shown here. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

National Assessment of Educational Progress (NAEP): Percent At or Above Proficient¹

Connecticut	45	39	32
National Public	40	33	25

¹ NAEP is often called the "Nation's Report Card." It is sponsored by the U.S. Department of Education. This table compares Connecticut's performance to that of national public school students. Performance standards for state assessments and NAEP are set independently. Therefore, one should not expect performance results to be the same across Smarter Balanced and NAEP. Instead, NAEP results are meant to complement other state assessment data. Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, a modified table is shown below. All indicators that were not calculated for the 2020-21 school year (including overall Accountability Index) have been excluded and columns that referenced points have also been removed to avoid confusion. For additional information, please view Connecticut's waiver response at: <https://portal.ct.gov/-/media/SDE/Digest/2020-21/CommissionerMemoAccountabilityWaiver.pdf>

Indicator		Index/Rate	Target	State Average Index/Rate

Gap Indicators	Non-High Needs Rate ¹	High Needs Rate	Size of Gap	State Gap Mean +1 Stdev ²	Is Gap an Outlier? ²
Graduation Rate Gap	94.0%	87.9%	6.1%	9.8%	N

¹ If the Non-High Needs Rate exceeds the ultimate target (75 for Performance Index and 94% for graduation rate), the ultimate target is used for gap calculations.

² If the size of the gap exceeds the state mean gap plus one standard deviation, the gap is an outlier.

NOTE: A dot (.) appears in the table above when there are fewer than 20 students in at least one of the student groups used to calculate the gap measure or the indicator is not applicable based on grades served.

Connecticut's State Identified Measurable Result (SIMR) for Children with Disabilities

Increase the reading performance of all 3rd grade students with disabilities statewide, as measured by Connecticut's English Language Arts (ELA) Performance Index.

NOTE: As a result of ongoing challenges related to the novel Coronavirus Disease 2019 (COVID-19), Connecticut's request for a waiver from implementing district/school accountability for the 2020-21 school year was approved. Therefore, no SIMR data are available. Narratives

School District Improvement Plans and Parental Outreach Activities

Each year, our district sets goals to continuously improve our programs and services for general and special education students. Corresponding action plans are developed for each goal area and teachers align their goals with district or building initiatives in an effort to enhance student achievement. The district's primary outcome goal has been the development of global citizens through an emphasis on academic excellence, and healthy learning environments. Weston Public Schools is committed to developing a partnership with parents to ensure the success of our students. Grade level back-to-school nights, transition meetings, and parent-student informational gatherings are offered throughout the year to increase effective communication. We continue to use a web-based parent portal to provide parents with access to their child's classroom performance record. This resource provides parents and students with a window into student performance and to serve as the basis for conversations with teachers. All teachers maintain an active web page reflecting classroom assignments and updates for students and parents. In addition to the scheduled K-5 parent-teacher conference days in the late fall and spring, school counselors are in regular contact with parents to address any issues that their child may be dealing with at home or in school. We continue to use our district and school websites to communicate important guidelines and information pertaining to school-wide events and reference materials such as handbooks, school forms, policies, curriculum, after school programs, and calendar updates. We have increased our parent information blasts through "School Messenger." In the spring, transition programs for parents are held to provide opportunities for those interested in learning about the unique programs and curricula that will be offered in their child's new school as they progress through our four schools. Regular and consistent communication is vital for our efforts to sustain a collaborative partnership with members of our greater school community.

Efforts to Reduce Racial, Ethnic and Economic Isolation

Weston Public Schools continue to make great strides to reduce racial, ethnic, and economic isolation through our participation in Open Choice and our steadfast commitment to community service and fundraising projects. Weston participates in the State of Connecticut's "Open Choice Program" through which students from a surrounding urban area, Bridgeport, attend our schools. These students are an important part of our community and participate in all aspects of the school day and after school activities. Our core academic curriculum provides opportunities for students to learn about different cultures through history, music, and literature, helping them gain greater appreciation for the importance of cultural diversity. At Weston High School, we have an ongoing exchange program with our Chinese sister school, Qingdao 17 Senior High School in the Shandong Province, China. Weston High School continues to provide educational experiences that enhance our students' capacity to live in a global world. Course offerings in humanities, Spanish, French, Chinese, and film studies, focus on issues and concepts related to diversity. In our schools, students receive numerous opportunities to have a positive impact on others who may not have the same opportunities that we may take for granted. Our student government organizations help to create awareness among the student body for humanitarian efforts that have resulted in a number of schoolwide drives. Through first hand exposure with those from different cultures and backgrounds, our students receive the critical life experience of understanding and appreciating the many commonalities that they share in the process.

Equitable Allocation of Resources among District Schools

Weston Public Schools is a suburban K-12 district of 2,300 students located approximately 45 miles from New York City. The campus is the heart and hub of the community with all four schools situated along a one-mile stretch of road. The district employs a participatory budget-building process to determine the needs of our schools. School leaders join district level administrators to closely examine current practices and determine budgetary priorities. Administrators prepare and submit their budget estimates to the Director of Finance and Operations, who summarizes the data for review by the Leadership Team. This group meets to review the budget requests by individual cost centers. The administrators present their budgets in public to the Board of Education during the month of January. During its review of the administration's requested budget, the Board may or may not alter the request. After the Board votes on potential modifications to the requested budget, the budget is adopted and sent to the Town Boards for further review prior to being voted upon at a Town referendum in April.
