Notes

Unless otherwise noted, all data are for 2023-24 and include all grades offered by the district.

In most tables, data are displayed only for the three major race/ethnicity categories. For additional race/ethnicity categories, please visit <https://edsight.ct.gov>

State totals are not displayed as they are not comparable to district totals.

Special Education tables reflect only students for whom the district is fiscally responsible.

* When an asterisk is displayed, data have been suppressed to safeguard student confidentiality. Complete data suppression guidelines are available at <https://tinyurl.com/SuppressionPolicy>

N/A is displayed when a category is not applicable for a district or school.

Performance and Accountability

District Performance Index (DPI)

A District Performance Index (DPI) is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The DPI ranges from 0-100. A DPI is reported for all students tested in a district and for students in each individual student group. Connecticut's ultimate target for a DPI is 75.

¹ NAEP is often called the "Nation's Report Card." It is sponsored by the U.S. Department of Education. This table compares Connecticut's performance to that of national public school students. Performance standards for state assessments and NAEP are set independently. Therefore, one should not expect performance results to be the same across Smarter Balanced and NAEP. Instead, NAEP results are meant to complement other state assessment data. To view performance on NAEP by student group, at

²The Connecticut Physical Fitness Assessment (CPFA) is administered to students in Grades 4, 6, 8 and High School (HS). The health-related fitness scores gathered through the CPFA should be used to educate and motivate children and their families to increase physical activity and develop lifetime fitness habits.

³Only students assessed in all four areas are included in this calculation.

Next Generation Accountability Results

Connecticut's Next Generation Accountability System is a broad set of 12 indicators that help tell the story of how well a district/school is preparing its students for success in college, careers, and life. It moves beyond test scores and graduation rates to provide a more holistic, multifactor perspective of district and school performance.

Narratives

School District Improvement Plans and Parental Outreach Activities

The 2023-24 school year has been rewarding school year. IDCS continues to put children first and to work conscientiously, diligently, and effectively for all of our children and families.

SPECIAL EDUCATION PROGRAMS: The Special Education Coordinator oversees and coordinates the Student Support Team (tiered intervention), 504s, and PPTs. The Assistant Director and the Dean of Students attend all 504s and PPTs. Also, the coordinator leads the school team, which includes 3 full time special education teachers/case managers, a speech pathologist and assistant speech pathologist, 2 full time counselors, and 5 special education paras. This group has been very effective in serving the students and parents of special education students as well as students who need 504 plans and/or students who need interventions to be successful. The Reading Interventionists, MLL teacher and Math Interventionist work closely with the Special Education Staff to support students. IDCS staff endeavor to ensure that our students, with special needs are supported academically, emotionally, and socially. The coordinator works closely with the Norwich Public Schools' Special Education Liaison as well as Ledyard, Montville, Sprague, and Bozrah. The communication between IDCS and parents of special needs students is effective, efficient, clear, and timely.

TRUANCY: The Dean of Students works closely with the 2 school counselors on truancy. They meet on a weekly basis to review student absences. Subsequently, parents/guardians are contacted about their child/ren. Letters are sent to parents; meetings are held as needed. IDCS has a protocol to provide support to families. Our school nurse has partnered with the Dean of Students and Counselors to help identify health issues that may be causing absences. Moreover, the nurse contacts families to assist them in various ways. Our attendance has improved since the 2022-23 school year.

ENGAGING FAMILIES: The School-Family-Community connections, is one of IDCS' core tenets. During the 2023-24 school year, two Family Liaison (FL) were hired to increase parental involvement in schools. The FL created a brochure for parent involvement in the school; created a survey for parents to volunteer; and met parents during the student led conferences to encourage them to volunteer. The Director and teachers communicate with families via email, voicemail and Parent Square, monthly meetings to update parents; weekly newsletters; teachers' newsletters, student led conferences, and administrator or teacher contact with parents. The Director held monthly meetings for parents. Parent involvement and attendance at IDCS events increase exponentially. The IDEA/PTO is very active in the school. They have recommended various events for IDCS families. For example, there was a baseball night at the local minor league team game.

The parents coordinated picture day and the book fair, assisted at BreadFeast and Caring and Sharing and the Annual Picnic. Attendance at our basketball games, track, and cross country teams increased since the previous school year. Parents attend all of the performances.

Efforts to Reduce Racial, Ethnic and Economic Isolation

IDCS is an integrated school due to its lottery system and to Norwich's community demographics. IDCS' demographics include 51% female, 49% 1% American Indian, 14% Asian, 12% Black, 17% Latinx, 11% two or more races; and 46% White. The students have friendships across various racial groups, ethnic, age, gender, and socioeconomic status groups. IDCS atmosphere supports these relationships via lunch time. The classrooms are assigned to a POD, which consists of K/1, 2/3, 4/5, 6, and 7/8 classes. In the lunch room, 2 students from each grade level sit in groups of 8. This supports students getting to know students across age levels. IDCS has a learning buddy program; all students are assigned a learning buddy at least 2 grades above or 2 grades below; recesses are scheduled for at least 3 classes at one time. IDCS' student council is very active in the school in supporting and cultivating relationships across various groups. The classroom makeup ensures that there is diversity in each classroom. There are friendship groups across all races and ethnicities. This can be seen on our sports teams, recess, learning buddies, events, and everyday classroom interactions.

Critical pedagogy is a core tenet at IDCS; IDCS curriculum includes a social justice unit at each grade level. IDCS students have participated and spoken at the Norwich NAACP MLK Jr. Luncheon. IDCS has celebrated Indigenous People's day for at least 6 years. Reading books are chosen to ensure students read about different races and ethnicities in the US.

During this school year 2023-24 school year, IDCS' Climate Committee has focused on diversity, acceptance, and respect among students and staff. IDCS core mission is integration of subjects; however, integration occurs across our diverse groups.

Equitable Allocation of Resources among District Schools

Because IDCS is a single school/system, the equitable allocation of resources occurs automatically. Funds and support is allocated equitably across subjects and grade levels.
